## **NEW APPLICATIONS**

None

**APPLICATIONS DETERMINED (since 8<sup>th</sup> December 2022)**

**Proposal:** T1. Norway Spruce 12x5m approximately. Large tree with an invasive surface root system that dominates the garden and other neighbouring vegetation. Fell to ground level in order to give more light and space to adjacent trees and job and shrubs. T2. Norway Maple 10x7m approximately. Large tree with a large crown. Reduce in height and re-shape crown by approximately 1.5m in order to restrict its growth and dominance of neighbouring trees and shrubs.

- Location:** The White Horse Inn, South Hill, Droxford, SO32 3PB
- Proposal:** Replacement and relocation of 1800 litre kerosene oil tank from front of house next to road to rear garden. Includes concrete pad and raised base (concrete piers).
- Case:** SDNP/22/05399/HOUS
- Location:** Midlington Farm Cottage, Midlington Hill, Droxford, SO32 3PU
- Proposal:** The proposed works will see the demolition of the existing conservatory, replacement of all glazing with new throughout, enlargement of some window and door openings, installation of log burner with external flue and all associated works.
- Case:** SDNP/22/05483/HOUS
- Location:** 3 Waltham Close, Droxford, SO32 3NZ
- Proposal:** Repair to decayed timber frame and sole plate on East elevation. The work will include removing minimal original materials but where required rotten timbers or parts thereof will be replaced with new timber. Infill panels will be removed where required and rebuilt with existing materials. (RETROSPECTIVE) approval for the fence that has been erected in place of a large hedge which had to be removed as it had been neglected over a number of years. The boundary between the property and the adjacent footpath was already 6ft timber fence for half the length, which had partially rotted and was no longer stable. We therefore replaced this section and also the part of the boundary which was previously hedge. We have planted greenery alongside the fence on the side of the property.
