

## RECYCLING IN CHESELBOURNE

Cheselbourne Climate Action Group has set up a recycling initiative in Cheselbourne Village Hall carpark, where you can bring items that can't be recycled as part of the kerbside recycling service. We are now collecting CLEAN soft plastics, included in the list below, CLEAN tin foil and CLEAN tetrapaks here. Please bring small amounts of recycling regularly rather than saving up a large bag and then bringing it down, to save the bins being overwhelmed. The bins are emptied and the contents taken into town by volunteers, so please use this facility thoughtfully. We welcome contributions from all our local parishes, both waste and volunteers. If you would like to volunteer please email [CheselbourneCAG@gmail.com](mailto:CheselbourneCAG@gmail.com) or telephone 07855 147700

Cheselbourne School has also set up a Terracycle recycling initiative in the Bus Shelter, where you can bring dental waste: electric toothbrush heads, electric flosser nozzles, flossing sticks and interdental brushes, dental floss containers and manual toothbrushes. Please see the Terracycle website for more information:

<https://www.terracycle.co.uk/>.

The School is paid by weight of material recycled, so raising funds for the school.

## RECYCLING PLASTIC BAGS

ACCEPTED AT THE VILLAGE HALL RECYCLING BINS OR MOST LARGE RETAILERS:

All plastic bags <i>except biodegradable or compostable</i>
Bread bags
Breakfast cereal liners
Bubble wrap
Delivery bags
Dry cleaning bags
Prepacked veg and some fruit bags (check that the label says 'Recycle with bags at larger stores')
Frozen food bags (check that the label says 'Recycle with bags at larger stores')
Magazine and newspaper wrappers
Multi-pack wrapping
Plastic marked as low-density polyethylene (LDPE) - resin ID code 4
Toilet roll and kitchen towel wrapping

## TETRAPAK & SIMILAR CARTONS

Can now be recycled at Cheselbourne Village Hall or you can take your cartons to various collection points including Fairfield Car Park, Market Street, Dorchester and Dorchester Household Recycling Centre Louds Mill.

### PLASTIC RECYCLING SYMBOLS

Plastic resin code numbers 1, 2 & 5 are ok in your kerbside recycling bin.  
Plus paper, cardboard (remove packing tape) and food tins

The following are not –

Cling film	Hand soap pump dispenser tops
Non-paper gift wrap	Coffee cups
Kitchen roll	Tissues
Glass cookware	Window glass
Straws	Greasy takeaway food boxes
Soft plastic/laminated foil packaging	Photo paper
Wine glasses	Nail varnish bottles
Crisp packets	Post-it notes
Shampoo bottles and food containers that have not been rinsed	Tissue boxes where the plastic insert has not been removed
