

## **AUSSIE PAIRS RULES**

On the First End the LEAD bowler delivers two (2) of their four (4) bowls alternatively with their opponent (as in normal pairs). They then change ends with the 'Skip' to the 'head end'. The SKIP then bowls all four (4) of their bowls, again alternatively as in normal bowls. Finally, the 'Skip' returns to the 'head end' and the LEADs then bowl their remaining Two (2) Bowls, completing the "end." The 'skips' then agree the score for that end.

On the Second End the order of play is reversed, so the SKIP now plays the Lead position and bowls two (2) of their four (4) Bowls. The LEAD player has now moved to being the Skip and bowls their four (4) Bowls, and finally the SKIP, who is still playing as the lead on this end, bowls their remaining two (2) bowls.

The format of reversing the playing positions is then continued throughout the game.
