Discussion	The Clerk had analysed data from the traffic camera and found that the Aylesham development had had no discernable impact on traffic numbers. However, there was an unexplainable trend in traffic at peak times which showed that there were twice as many cars travelling through Nonington in the pm rush hour compared to the am rush hour.

## PUBLIC INPUT AND OTHER BUSINESS

Discussion	<p>Green Day – this was a great success even though there was a delay in picking up the rubbish.</p> <p>Footpath EE311, from Beachamps to St Albans was diverted in 1981 and this meant that there was no longer access from the rear of the houses on Easole St. The landowner had planted a new hedge along the border of the gardens along the footpath blocking previously used rear gates. DDC had stated that it was a private dispute and couldn't get involved. Any action would need to be on a private basis.</p> <p>The new PCSO Emma Carmichael introduced herself and said she would try to make some meetings and the Baptist Chapel coffee mornings when her shifts allowed. There was a lengthy discussion about the off road motorbikes that sped through the village and she said that any photographs or descriptions of riders and bikes should be sent to her email address and also registered with Kent Police via the 101 telephone number. Her own mobile number is 07966308732 and email is <a href="mailto:58778@kent.pnn.police.uk">58778@kent.pnn.police.uk</a></p> <p>Nonington in Bloom sought permission to place an arch over the entrance to the playing field opposite The Royal Oak. Cllr Plumptre said she would visit the site to see for herself. Cllr Clayton offered to make a pictorial view of what was proposed.</p> <p>The large green container was still blocking access to a drain and needed moving.</p> <p>It was agreed to carry on with KALC membership</p> <p>It was agreed to support the Cricket Club with their grant application for all weather nets.</p> <p>Nonington Gardening Club thanked the PC for underwriting their recent Spring Flower Show. It was successful and therefore didn't need a financial support.</p> <p>The updating of the children's playground was progressing but cost was an issue. Cllr Manion suggested using the KCC's Inside Track grants or the Tesco Bag grants systems.</p>
