

# **Stretton Choral Society**

invites you to become a **Friend** or **Patron**

For almost 40 years, we have been providing an inspiring and educational experience for our members and audiences. We present two concerts each year with the support of professional singers and musicians.

**With our costs always increasing, we urgently need your support to ensure the Choral Society can continue.**

It costs £30 to become a FRIEND (or £55 for a couple)  
and £60 to become a PATRON\* (or £110 for a couple).

In return, for each concert, you will receive a free programme and refreshments, plus reserved seats.

Your name will be mentioned – with our thanks - on the programme and our website.

You will also receive an invitation to our social events.

\*Patrons also receive complimentary tickets (2 for a couple).

Please take a look at our website [www.strettonchoral.org.uk](http://www.strettonchoral.org.uk) for more information.
