Simplified Pavilion booking process

Moulsford News

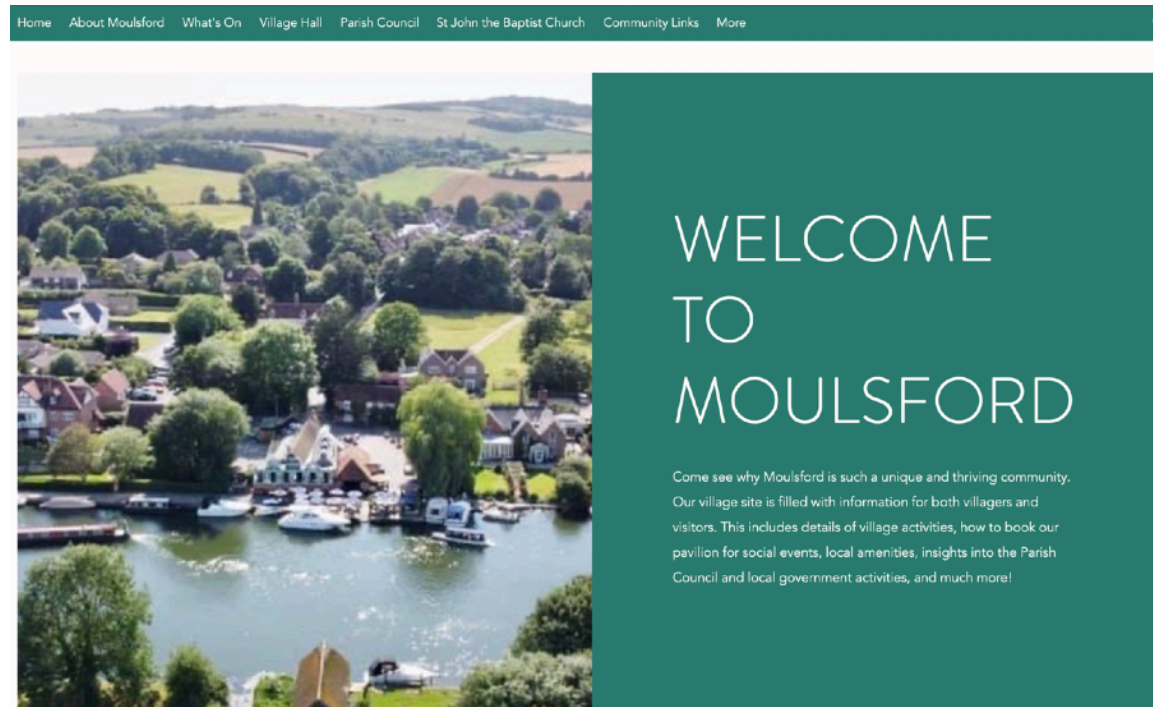

Continues to update residents on local news, articles, events & advertisements:

- Thanks to **Emma Reynolds**, for managing advertisements for the 14th year(!), **Claire Harley** at Moulsford Prep for printing over 200 copies of MN foc, and **Daryl & Linda Dixon and their team of volunteers** for distributing the newsletter in the village.
- Thanks also to **Bernadette Sachs** who after editing the MN for over 10 years, has now handed over to **Katja Abel**.
- Content and layout largely same but now added information on local facilities, as well as dedicated village news and contacts and a regular piece by Elli the gardener.
- Going forward, would like to receive some new ideas and contributions – e.g. local sporting events, recommendations of interesting places to visit, seasonal observations on walk in the countryside, or one-off book reviews.

If you are interested in sharing an article or regular contribution, please get in touch with Katja.

Updating Our Moultsford Web Site

Ensuring you can find the information you need, quickly and easily, across our Web site, Moultsford News, and Facebook

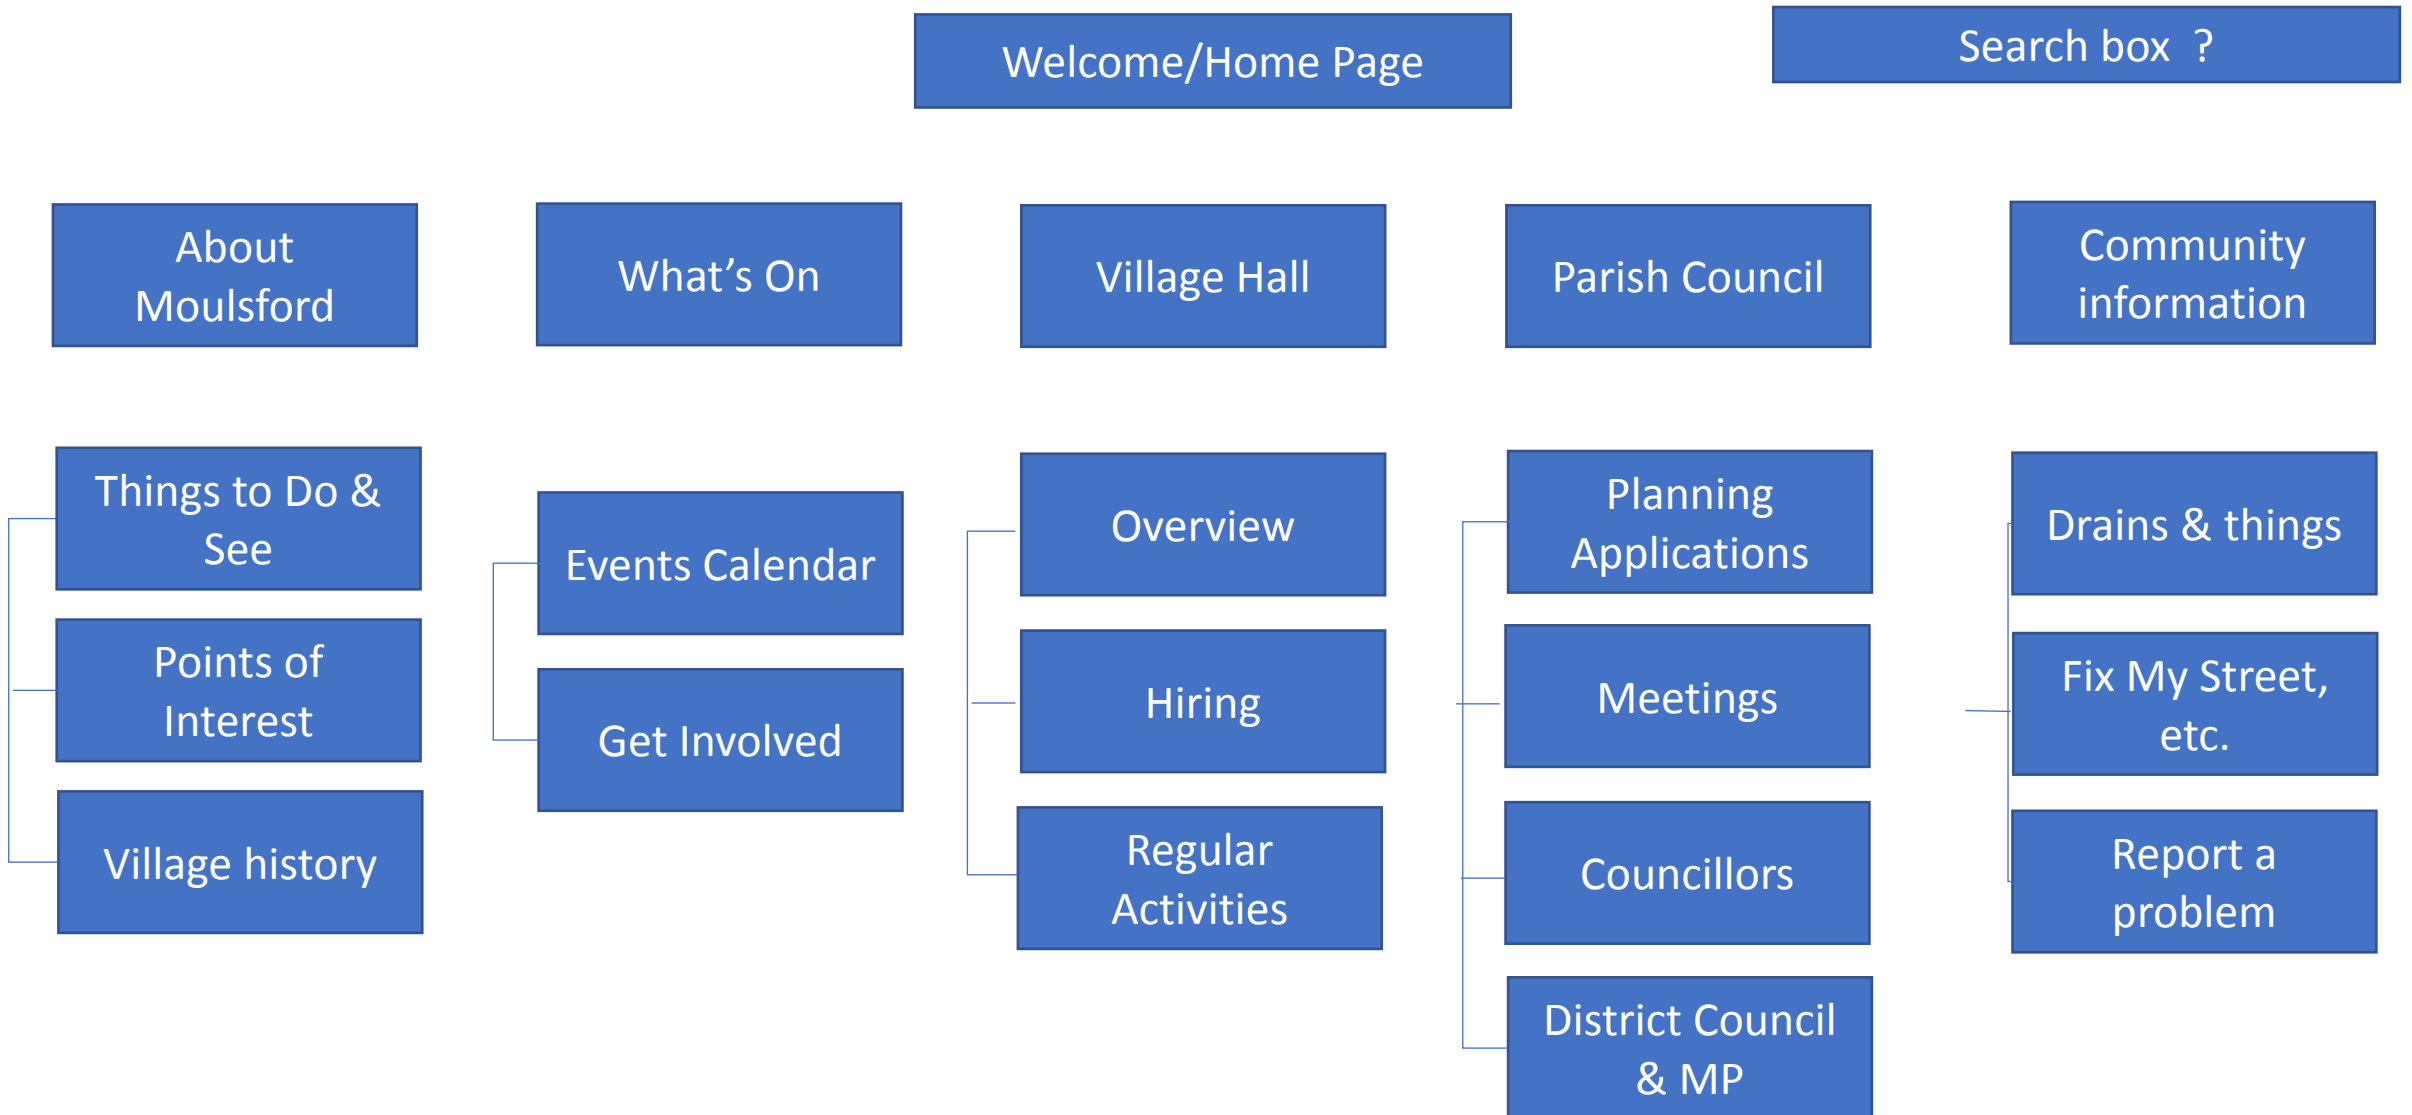

Goals

- Include information that is relevant, up to date, and interesting
- Ensure website is quick & easy to update
- Improve information on Village Pavilion
- Simplify booking enquiries
- Introduce a more visual look and feel to the website
- Available both on desktop and mobile

Approach

- Create in WIX Editor (point and click tool, relatively cheap)
- Add analytics and feedback form to allow us to see which parts get used most
- Start updating in line with Moultsford News (so one compliments the other)
- Approached Moultsford Prep, who have kindly agreed with help us with this.
