Publication Requirements

Under the Accounts and Audit Regulations 2015, authorities must publish the following information on a publicly accessible website:

Before 1 July 2020 authorities must publish:

- Notice of the period for the exercise of public rights and a declaration that the accounting statements are as yet unaudited;
- Section 1 Annual Governance Statement 2019/20, approved and signed, page 4
- Section 2 Accounting Statements 2019/20, approved and signed, page 5

Not later than 30 September 2020 authorities must publish:

- · Notice of conclusion of audit
- Section 3 External Auditor Report and Certificate
- Sections 1 and 2 of AGAR including any amendments as a result of the limited assurance review.

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

The Annual Governance and Accountability Return constitutes the annual return referred to in the Accounts and Audit Regulations 2015. Throughout, the words 'external auditor' have the same meaning as the words 'local auditor' in the Accounts and Audit Regulations 2015.

*for a complete list of bodies that may be smaller authorities refer to schedule 2 to the Local Audit and Accountability Act 2014.

Guidance notes on completing Part 3 of the Annual Governance and Accountability Return 2019/20

- The authority must comply with Proper Practices in completing Sections 1 and 2 of this Annual Governance and Accountability Return. Proper Practices are found in the Practitioners' Guide* which is updated from time to time and contains everything needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the Annual Governance and Accountability Return is complete (no highlighted boxes left empty), and is properly signed and dated. Where amendments are made by the authority to the AGAR after it has been approved by the authority and before it has been reviewed by the external auditor, the Chairman and RFO should initial the amendments and if necessary republish the amended AGAR and recommence the period for the exercise of public rights. If the AGAR contains unapproved or unexplained amendments, it may be returned and additional costs will be incurred.
- The authority **should** receive and note the annual internal audit report if possible before approving the annual governance statement and the accounts.
- Use the checklist provided below to review the Annual Governance and Accountability Return for completeness before returning it to the external auditor by email or post (not both) no later than 30 June 2020.
- Do not send the external auditor any information not specifically requested. However, you must inform your external auditor about any change of Clerk, Responsible Financial Officer or Chairman, and provide relevant email addresses and telephone numbers.
- Make sure that the copy of the bank reconciliation to be sent to your external auditor with the Annual Governance and Accountability Return covers all the bank accounts. If the authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree the bank reconciliation to Box 8 on the accounting statements (Section 2, page 5). An explanation must be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the Practitioners' Guide*.
- Explain fully significant variances in the accounting statements on page 5. Do not just send a copy of the detailed
 accounting records instead of this explanation. The external auditor wants to know that you understand the reasons
 for all variances. Include complete numerical and narrative analysis to support the full variance.
- If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or variances are not fully explained, additional costs may be incurred.
- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2019) equals the balance brought forward in the current year (Box 1 of 2020).
- The Responsible Financial Officer (RFO), on behalf of the authority, must set the period for the exercise of public rights. From the commencement date for a single period of 30 consecutive working days, the approved accounts and accounting records can be inspected. Whatever period the RFO sets it must include a common inspection period during which the accounts and accounting records of all smaller authorities must be available for public inspection of the first ten working days of July.
- The authority must publish the information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor before 1 July 2020.

Section 3 - External Auditor Report and Certificate 2019/20

In respect of

Stanton Harcourt Parish Council

1 Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2020; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work **does not** constitute an audit carried out in accordance with International Standards on Auditing (UK and Ireland) and **does not** provide the same level of assurance that such an audit would do.

2 External auditor report 2019/20

Except for the matters reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The inspection period given for the exercise of electors' rights was 30 calendar days and not 30 working days. The Council has therefore not provided the proper period for the exercise of electors which is in breach of the Audit and Accounts Regulations 2015, Paragraph 14(1).

The date on which the RFO approved Section 2 of the Annual Governance and Accountability Return was after the council approved the accounting statements. This does not comply with the Audit and Accounts Regulations 2015, Paragraph 12, which requires the RFO to have signed their designated section before presenting the document to the Council for approval.

The RFO did not approve the form until after the public rights period had concluded which means the public only had the opportunity to review results that had not yet been approved by the individual responsible for preparing them

In future the RFO and the Council should endeavour to amend their procedures to ensure the statutory requirements are met.

Other matters not affecting our opinion which we draw to the attention of the authority:

Explanation of variances 2019/20 - pro forma

Name of smaller authority: Stanton Harcourt Parish Council Insert figures from Section 2 of the AGAR in all <u>Blue</u> highlighted boxes

Now, please provide full explanations, including numerical values, for the following that will be flagged in the green boxes

where relevant:

• variances of more than 15% between totals for individual boxes (except variances of less than £500);

• a breakdown of approved reserves on the next lab if the total reserves (Box 7) figure is more than twice the annual precept value (Box 2).

Receipts include a grant payment (£2310) towards work carried out in the Village Hall car park It was resolved at a Parish Council meeting on 4th February 2019 (Minute Ref 19/021) that the PC should fund the maintenance work carried out in the Village Hall. The PC has been setting aside funds for maintenance of the Village Hall for a period of time, as per an agreement between the Village Hall Committee and the Parish Council in 2002. There has been a reducion in staff costs due to a reduction in maintenance requirements Other payments were significantly increased this year due to the Parish Council (PC) transferring maintenance funds (£7477) to the cover costs incurred by our village hall Explanation (must include narrative and supporting figures) See above re Village Hall Maintenance See above re Village Hall Maintenance Explanation DO NOT OVERWRITE THE BOXES HIGHLIGHTED IN Required?
