

Parish Council Report

The COVID-19 crisis continues to dominate our attention although the gradual relaxation of the lockdown rules and the return of summer weather should allow some optimism. Clearly, we are still far from defeating this virus and many people are still shielding and taking extra care to avoid exposure to it. Our community support network will remain focussed on helping our fellow residents to avoid unnecessary risks and many thanks to all those who continue to help others. Mental health is also an increasing area of concern as there are an increasing number of reports of people who have not ventured out of their homes for several weeks experiencing high levels of anxiety and a lack of confidence when facing a return to normal activities. We should still keep a supportive eye on each other for a while yet.

Your Parish Council have been continuing to meet each month using the Zoom video conferencing application. These meetings are open to members of the public and the computer links for meetings can be requested from Geoff Twibell our Parish Clerk by emailing parishclerk@moulsford-pc.org.uk. The next meeting is at 7:30pm on Wednesday 8th July 2020.

The opposition to the Friends of the Elderly planning application was impressive and demonstrated the depth of concern in our community and a determination to maintain the character of the centre of our village. The efforts made by the Moulsford Residents group resulted in a very large number of well-informed responses to the planning application. SODC's target decision date is 15th July and we await the outcome with interest!

And finally, the combination of lockdown and the sunny weather has led to a greater appreciation and usage of the river. There are more canoes, kayaks, inflatables and motor cruisers than usual but the increase in the number of stand-up paddleboards is particularly noticeable. The smart new boat moorings at the north end of the village are in use and the Thames path continues to attract many walkers. Hopefully, like us they will be able to make use of the Beetle and Wedge Boathouse Inn when it re-opens, hopefully sometime in July.

Please stay safe and have a good summer!

From the Vicar

Andrew Petit

My Dear Friends,

Since the beginning of lockdown there has been a huge surge in church attendance (online) and of interest in prayer and the Bible. A recent poll shows that one quarter of UK adults have watched or listened to a religious service during the corona virus pandemic and 44% of Brits are praying – including 5% saying that they've prayed for the first time. One online Christian bookstore saw the sale of Bibles rise by 55% during April compared with the average for that month in previous years. Millions have downloaded Bible reading apps and Google say that searches for "prayer" and "Christianity" have sky-rocketed.

The pandemic has triggered a "historic spiritual moment", says Dr Rowan Williams, the former archbishop of Canterbury, who is unsurprised by the growth in Bible-reading. He notes that engagement with online church services is also booming, and that it is a response to feelings of disorientation, fragility and fear caused by the crisis. We should be unsurprised that so many should turn to God in a time of crisis or re-kindle a faith that had previously gone cold. It is said that there are no atheists in an aeroplane which is about to crash!

We could be very cynical and say that people are just keeping their options open and taking out a kind of spiritual insurance. However, I have no doubt that in a time when our whole way of life is radically changed, our future is uncertain and we are brought face to face with the reality of death, which after all is the certain destiny of every single person, many begin to ask deeper questions about life: *What is the purpose of my life? Does God exist? What happens when I or a loved one dies? Is there any truth in the Christian faith?*

These are all good questions that everyone should ask, whatever the circumstances, and if the present crisis prompts us to ask them then that can only be a good thing. The danger is that, as lockdown eases, as the immediate threat to life reduces, as opportunities for shopping and entertainment and just general busy-ness increase, we stop asking those important questions and maybe forget about them altogether. That would be tragic!

If you are someone who has started asking those deeper questions, please make sure you carry on pursuing them. One thing lockdown has done is make it so much easier for people dip their toe into attending church, whether it is our local Zoom services, or those more professionally produced by bigger churches of every style and flavour. There is also a wealth of online resources from the Bible apps to websites and YouTube channels dealing with questions of faith (I personally recommend the *Unbelievable?* videos on YouTube). You might even like to bend the ear of your local vicar! Please send me an email or pick up the phone.

And if you haven't started asking those big questions.... Maybe it's time you did!

With warmest regards,

Andrew Petit, Vicar of Moultsford andrewpetit@virginmedia.com Tel: 01491 651216

Church Services to 2nd August 2020*

5 th July	5 th Sunday after Pentecost	10.30am <i>Family Feast</i>	Please email andrewpetit@virginmedia.com for link to this service
12 th July	6 th Sunday after Pentecost	9.45am Parish Communion	Please email andrewpetit@virginmedia.com for link to this service
19 th July	7 th Sunday after Pentecost	8.00am Traditional communion 9.45am Morning Worship	Please email andrewpetit@virginmedia.com for link to this service
26 th July	8 th Sunday after Pentecost	9.45am Parish Communion	Please email andrewpetit@virginmedia.com for link to this service
2 nd August	9 th Sunday after Pentecost	10.30am <i>Family Feast</i>	Please email andrewpetit@virginmedia.com for link to this service

** For the time being we are continuing to hold our Sunday services as Zoom meetings. We would love you to give one a try. We have been advised not to broadcast the Zoom link publicly, for safeguarding reasons, but if you email, we shall happily send the link to you.*

We hope to have a clearer idea in July as to when it may be possible to return to having services in Moultsford Parish Church. We will let people in Moultsford know as soon as such a return is planned. For this reason, we are not giving details of services in August at this present time.

Monthly Coffee Shop

Gail Slinger

June was the first zoom Coffee Shop, what a lovely treat for all who were free to join us, it felt like a private party and so lovely to see people we hadn't seen for some time.

The next **Village Coffee** is on **8th July 2020, Wimbledon theme**, in our own kitchens. Let's have strawberries and cream, a lovely cool refreshing fizzy drink (of your choice) and a great coffee to follow, we could even dress for the occasion. Ivy Cottage kitchen will have a Wimbledon make-over to make up for the missing tennis (my passion).

The **August Village Coffee** is on **12th**

Keep Safe everyone until we can all meet again in the Pavilion (in 2020 I hope).

PLEASE EMAIL ME TO JOIN IN, AND I WILL SEND YOU THE ZOOM LINK

gailslinger2601@gmail.com

Life at Greenlands Farm

John Beacroft

Well life goes on, firstly I would like to thank you all for being much more considerate to the field margins. The wild flowers are coming back and hopefully birds have found conditions better for nesting in. It is sad to say that there are, the few, which disregard everything and get rather rude if challenged.

Some very welcome rain this week which will help everything tremendously. You may have noticed the stewardship crops have been looking rather sad in spite of some agricultural TLC. Mother nature rules!

The twin Roe deer, whom now are about three years old have become one. I think the other was killed on the road by the Starvall entrance. It may have bred, but I rather fear for it.

Life here has not changed much for us. We still have many tenants turning up although some are suffering now. I hope it is not too long before some sort of normality returns. We have rarely ventured off the farm apart from the grocery runs.

I must admit it would be nice to go to the Pub or out for a meal again.

Keep safe, enjoy your walks.

Update from the Moultsford Support Network

Bernadette Sachse

The volunteer support network setup to provide assistance to anyone in the village throughout the Covid-19 pandemic is still in full operation so please do get in contact with a volunteer coordinator should you need any assistance, from shopping and prescription collections to just a friendly chat, perhaps now more needed as we enter month four since lockdown was imposed. The contact details you need are on page 12.

The volunteer network have handled 126 requests to date which is amazing. It is humbling to live in a village where neighbours are really there for each other when it is needed.

As I write, lockdown restrictions are easing more and more, but we will be here for as long as it is needed. I look forward to the day we can meet up and share our experiences of the past few months.

The Old Vicarage Planning Application - Moultsford responds

In May's Moultsford News we provided a short update on the response to the Friends of the Elderly Old Vicarage planning application. At the time of writing, 19th May, there were already 40 responses from Moultsford residents. For a small village, this was already an outstanding response. What developed over the remaining days of May was quite incredible. By the time the submission deadline arrived on 1st June Moultsford residents had submitted almost **100** individual responses to this application. What an amazing effort! The scale and the quality of this response will be an important consideration for SODC planning, this collective voice will be heard.

There have been other important developments in response to the application.

- Moultsford Parish Council objected.
- The drainage officer has objected.
- The tree officer has objected.
- North Wessex Downs AONB has objected.

A landscape report commissioned by SODC gave a very balanced assessment of the impact of the development on our community.

It is now for the Planning Officers at SODC to go through due process and formally assess the application. In the meantime, Moultsford can be very proud. We might be a small village, but Moultsford has demonstrated, beyond doubt, that it is to be taken seriously.

Planning Applications & Decisions

Moultsford News and Planning deadlines invariably mean that the planning information above is out of date by the time of reading. For a current view of planning, please visit the online planning portal here: <http://www.moultsford-pc.org.uk/community/moultsford-15214/planning-tracker/>

P20/S2035/HH Yew Tree Cottage, 19 Underhill, Moultsford OX10 9JH	Erection of a new oak frame porch.	MPC Considering. SODC Considering.

P19/S2768/FUL Greenlands Farm, Cow Lane.	Glamping Site (amended by new drawings, ecological report & access appraisal).	MPC No Strong Views. SODC Approved.

Underhill/North Road Sewage System

Blocked pipes have again been reported in recent weeks so here is a reminder and plea to all residents who use the system NOT to discard any of the following items into the drains, bag them as appropriate for waste collection instead:

SODC reminds residents to recycle responsibly

Thousands of residents in southern Oxfordshire have found their recycling bins unemptied each week because they have put the wrong things in them.

Putting non-recyclable items in recycling can contaminate a whole truckload, which is then rejected at the recycling facility. This turns neighbours' recycling into rubbish and ultimately wastes energy and raw materials by removing these items from the recycling process.

Bin crews in South Oxfordshire and Vale of White Horse districts have stepped up monitoring of recycling bins in recent months as the lockdown has meant an increase in household waste, which has meant an increased risk of people putting the wrong items in recycling bins.

To remind residents about what can (and can't) be recycled, South Oxfordshire and Vale of White Horse district councils have devised a new recycling quiz available here

<https://survey.southandvale.gov.uk/s/TheGreenRecyclingBinQuiz/>

During **one week** of recycling collections in the past month there were **3,801** reports of wrong items found in recycling bins in South Oxfordshire

Bins found with incorrect items for recycling were left unemptied.

The vast majority were rejected because residents had put black or coloured bin bags into recycling bins. Crews

cannot see what is in them and so won't empty the bin. The next biggest category of rejections was because food was found in the green bin. Food contaminates recycling making it unrecyclable. Food can be collected in food bins and taken to a separate facility where it is transformed into electricity and fertiliser.

Textiles, like old T-shirts and odd socks are another reason for crews to leave recycling bins unemptied. Although both councils collect textiles for recycling at a different facility, they must be left in a tied carrier bag next to the green bin. Other non-recyclable items which are regularly found by bin crews in recycling bins are polystyrene, plastic toys, garden waste, electrical items, wood and nappies.

These items cannot be sorted at the recycling centres and shouldn't be put in the recycling as they can contaminate a whole truckload of recycling.

Councillor David Rouane, South Oxfordshire District Council cabinet member for housing and the environment, said: "The waste contractor needs to know that the recycling is of a standard that is accepted by the materials recovery facility. With reduced staffing levels at the site, to maintain social distancing, and the increase in quantity of material being sent there, it is important that it receives good quality recycling."

Recycling should be in the green bin loose or in clear bags so the crews can easily identify that the contents are recyclable.

If they see non-recyclables, crews will leave the bins unemptied, record the reasons and leave a tag on the bin explaining to residents.

For more information about what can and cannot be recycled please see our website:

<http://www.southoxon.gov.uk/services-and-advice/recycling-rubbish-and-waste/recycling/what-can-i-recycle>

Citizens Advice can help you through financial difficulties

If you are facing financial problems in the wake of the coronavirus pandemic, Citizens Advice can help find a way forward.

Citizens Advice research has revealed that currently over 13 million people are unable to pay, or expect to be unable to pay, at least one of their household bills. These bills are higher than usual in any case because the population is spending more time at home during the lockdown. For 11 million of these people, a missed bill could have drastic consequences: eviction, the bailiffs, or disconnection.

It is vital that you do not give way to despair, feel isolated with your problems and consider that you have to solve them all by yourself. For instance, Citizens Advice can help maximise your income with a benefit check if your working hours have dropped or if you are made redundant. We can help you decide on the best way to manage your debts in your individual situation. Get in touch with us by telephone on Adviceline (0300 330 9042). There is also a lot of useful information on our website <https://www.citizensadvice.org.uk> where you can also chat online.

Moulsford Bus Service - Going Forward Buses

Going Forward Buses hope to resume a limited bus service through the village on a Monday commencing 6th July, 2020 subject to approval by the regulatory authorities. It is anticipated that the 133 bus service will leave Moulsford (Beetle and Wedge turn) at 09.20 for Wallingford via the Old Vicarage arriving in Wallingford at 9.35. The return journey will leave Wallingford at 11:05 arriving at the Beetle and Wedge turn at 11.15. These timings are provisional at the time of writing. Please check with Breyan Knowles (651401) or see bus stop timetables for up-to-date information.

Keep in touch!

If you're planning local events, doing something for charity, or simply have something to say, Mouldsford News wants to hear from you.
