

Notes from Winchfield Neighbourhood Development Plan Review
Steering Group and Working Group #16

Monday 14th March 2022 at Pepper Box

Present:

Christine Strudwick (WG/ Working Group lead)
Bill Fraser
Sarah Garwood
Lynda Goddard
Cllr Kate Stewart
Rod Summerfield
Cllr Meyrick Williams (SG / Steering Group Chair)

WNDPR Steering Group

Meyrick has reviewed all the HDC technical reports commissioned for SHGV now and the archaeology and landscape reports in particular give significant protection to the areas around the Church.

John Jeffcock has been asked to review the HDC Landscape Character Assessment and, if necessary, suggest any changes we might need to make to the Winchfield LCA.

Meyrick said four locations have been offered as possibilities for the Affordable Homes site. There is a meeting scheduled to review each site and prioritise their suitability. Three, possibly four, housing providers are looking at the Winchfield options.

WNDPR Working Group

Most of the meeting was spent reviewing and discussing feedback from the recent Community Engagement meeting and the draft text of the Plan to date.

Rod's papers have been read by all the WG now and we all expressed our gratitude to him for his professional knowledge and expertise. The evidence he has prepared for this Plan revision is critically important and very interesting; we have all learnt a great deal we didn't previously know about the Winchfield flora. **Please treat those reports as 'confidential' at this stage.**

Kate gave us an update on the 'trees' project, Winchfield is now a 'charter branch member' of the Woodland Trust national tree charter project as is Dogmersfield. WPC will approach other neighbouring rural Parishes and encourage them to join the programme.

It was agreed that the flyer for the next community engagement event would be delivered the weekend of 2nd/3rd April along with the 'Jubilee Trees' letter and the Jubilee lunch invite.

The April public meeting will focus on the natural environment and community aspirations.

Open Items.

There were no new action items arising from this meeting.

Baseline data work and research.

1.3 As part of this Revision we will update and add to the Evidence Base which accompanies the Plan, Christine asked that source documentation for anything which might be included in the Plan or any policy please be carefully noted. **ALL. ONGOING**

7.2 All, please note anything that you see which might be added to a 'local list' as being of special interest to Winchfield. **Ongoing.**

7.3. There are some projects which we can research now which will add substance to the NDP at a later date. **Ongoing**

These include:

Plotting trees and hedges to see if we should be requesting more designations, TPOs, SINCs, ancient woodland etc. Rod and Kate. Tim Davies and Chris Griffin are happy to assist with this project. Various maps are now in use to try to plot the ancient hedgerows and see if we can suggest creation of new wildlife corridors. **Kate is leading on this, report above, ongoing.**

9.10 Christine reported that Louise Hodgetts might be able to make contact with the owners of 'Shapley Ponds Copse'. If they are agreeable we would like to get this area registered as a SINC if we can. Update is that the land is owned by a syndicate and the lakes are 'stocked', it is unlikely that we can get SINC designation as the planting is mostly recent and rhododendrons have been allowed to take over. **We might be able to get a lesser protection designated. Ongoing**

Finding out which 'farms' are productive or what they are used for now. Lynda has a list of all the farms and is finding out some interesting information. **ongoing.**

Equestrian activities. Update to the piece that Lucinda Evans wrote for the 2017 NDP. **Lynda, ongoing.**

Ornithology. Chris and Clare Griffin are happy to do some work on this. **Christine now has a list of birds from a friend of the Griffins and will chase up Simon Wilson again about the raptors. Ongoing**

Houses around the Church. Christine has asked the owners if they can provide any history about their homes. **No great results so far but ongoing**

Winchfield House. Cllr Louise Hodgetts is working with Lord Wigram to produce a piece about Winchfield house. **Ongoing**

Not yet assigned to anyone:

- Church of St Mary's . We will do a more in depth piece about the church for the revision.
- Barley Mow pub and Winchfield Inn – both are very old and have significant features which we didn't cover last time.
- The old Post Office
- Railway and station. We can review the piece Ed Fisher wrote last time and he will probably help if we need to add more information.

- The pottery
- Brick Kilns / Dignity
- Flora (done) Fauna.- with Christine
- Other recreational activities, cycling, walking, paddle boarding, shooting??

Open to suggestions for anything else we would consider to be a recreational activity or a significant feature of Winchfield.

Sarah asked if there was a list of 'inmates' of the workhouse? Meyrick remembered an old tin trunk we had been given by Phil O'Grady (landlord of the Barley Mow) and thought there had been this sort of information in the box.

10.6 Christine will try to contact Rev Ewbank and see if he can remember where the trunk and its contents went to.

There was a map of the Winchfield Hospital / work house on the wall of the 'Chapel' before Paul and Kerry moved there, this might have gone to John Almond's son (previous owners).

10.7 Sarah and Lynda will see if they can find John's son and ask if the map of the workhouse still exists. No success with this, Christine will ask Kerry Wedlock again

10.8 The ceramic map which was made by Susan Ferreby (a local potter who lived at 'The Chase') on the wall at the station would be a good photo – Lynda will take a picture of it. Excellent photo now on file.

Any Other Business.

There was none.

Meeting closed at 4pm

Date of next meeting

Monday 11th April

Meetings to be held at 2pm at "Pepper Box" unless informed otherwise.

Meeting Dates for 2022

Monday 9th May

Monday 13th June

Monday 11th July

Monday 8th August

Future Community Engagement meetings:

Sunday 10th April 2022

Sunday 19th June 2022
