- 4. CHAIRMANS REPORTI**  
The Chairman submitted his report. (A copy is attached to the signed copy of  
the Minutes.
- 5. GUEST SPEAKER:**  
The Chairman introduced Mr. C. Medlicott of the West Midlands Ambulance  
Service who gave a very informative talk on Defribillators and how the provision  
and training should set up. He explained that he had permission from his  
superior's to supply a defribilator free of charge to local communities and to  
provide the necessary training for local volunteers.  
Members suggested that a defribillator could be situated at the Village Hall,  
given that the hall was very well used and that the Parish Council would meet  
the cost of supplying the box to house the defribillator. It was also thought the  
sufficient volunteers from around the Willey area could be found for the  
appropriate training.  
The Chairman stated that he would be pleased to co-ordinate these matters  
and that he would be in contact with Mr. Medlicott to further the project.  
The Chairman and Members thanked Mr. Medlicott for his talk which they had  
found most informative.
