

**NETHER WALLOP PARISH COUNCIL**

**To note & approve the provision for accounting software including MTD provision for 2022/23.**

The pricing and fees for the currently used accounting software were sent to all councillors on 13<sup>th</sup> October.

The basic package has increased by £5 p.a. However from next April all councils will be required to comply with Making Tax Digital and an extra module will need to be purchased by the council at an extra cost of £59 pa.

Councillors to approve the budget adjustment for next year or advise a different solution.
