

REPORTED CRIMES OF INTEREST FOR THE BASSETLAW EAST EVERTON/ BECKINGHAM BEAT AREA –
DECEMBER 2019.

The Everton/ Beckingham beat area includes the following villages and hamlets – Misson, Misson Springs, Newington, Scaftworth, Harwell, Everton, Gringley on the Hill, Walkeringham, Saundby and Beckingham.

The crimes of interest – incidents of burglary, criminal damage and thefts – reported for the beat area between 01/12/2019 and 31/12/2019 were –

Burglary Dwelling – 3 (Misson, Beckingham x2).

Burglary Other – 2 (Walkeringham, Misson).

Theft of Motor Vehicle – 1 (Harwell).

Theft Other – 1 (Beckingham).

Criminal Damage Other – 4 (Beckingham x3, Everton).

This month there have been eleven reported crimes of interest across the whole beat area. This compares with nine crimes reported throughout November 2019 and eleven crimes in the same month last year.

So far this year, from 01/04/2019, there have been eighty two crimes of interest reported across the beat area. This compares with one hundred and four reported in the same period last year. As such, nine months into the tracking year, these figures equate to a decrease in reported crime in that period of twenty two crimes.

This month there has been five reported incidents of anti-social behaviour across the whole beat area. This compares with three reported incidents for November 2019 and seven reported for the same month in 2018. The anti-social behaviour umbrella covers a wide range of incident types including hoax calls to the emergency services, found/ abandoned vehicles and wildlife/ animal issues.

Firstly, I must congratulate parishes across the whole beat area for their efforts over the festive season – the number of different events and engagements planned over Christmas have been very well attended and very much appreciated. Lots of credit goes out to you all.

Following the Christmas period and, in some cases, visits to January sales events, please be careful in how you dispose of unwanted packaging. Do not advertise to criminals what new items have been purchased to enhance the look of your home.

Some auto crimes are being reported across adjoining beat areas, and historically across this one, which could be prevented by adopting basic security measures around vehicles.

Vehicles are still being left insecure overnight and, in a lot of cases, items, which are attractive to criminals, are being left inside on full view to the same.

There are criminals out and about who randomly visit villages in order to check on vehicle insecurities. They will try door handles of vehicles of vehicles parked on the public highway or on private driveways.

Some vehicles, particularly in the colder weather, are being left with the keys in the ignition and the engine running. These instances might only be occurring for very short periods of time, such as when visiting the local shop or, indeed, when collecting the vehicle from a garaged area. Criminals only need a very short period of time to steal vehicles when opportunities such as these arise. Some criminals will monitor individuals' movements and habits before targeting their vehicles. Please do not be caught out as the consequences could be a long and stressful claim to the insurance company who may not honour the same due to the circumstances.

The control room continue to receive reports from community members of sightings of suspicious persons, vehicles and activity across the beat area. These calls are important to us all and do help in keeping reported crime figures relatively low across the beat area.

My contact number is 07525 226838 and my E mail address is david.airey@nottinghamshire.pnn.police.uk PC 3258 Jason FELLOWS is the beat manager for the beat area, has a contact number of 07525 226893, and his E mail address is jason.fellows@nottinghamshire.pnn.police.uk

Please do not use these telephone numbers to report incidents and/ or crimes. Our works numbers should only be used for non-urgent matters – including seeking advice and/ or information.

I continue to receive calls on my works phone from residents wising to report incidents and crimes. In many cases these calls are received when I am on rest days or annual leave and have not got my works phone to hand. Residents must be comfortable in reporting these occurrences to our control room on 101 in order to receive the best, and real time, service from those officers who are on duty.

When ringing 101 the first item which is asked is which Police force you require. This is because 101 is the non-urgent number for all Police forces throughout the country and the signal is picked up from where you are ringing from. In rural East Bassetlaw many parishes are located close to county boundaries, hence the first question. Then, you are asked if you know the person or extension number of the department you require. At this stage, just hold the line. After this, there

are a number of options available. For reporting an incident or crime the option is option 7 – there is no need to listen to all the alternatives before selecting this option number.

Finally, I would like to wish you all a very happy New Year. I am sure that some of you will have followed tradition and decided on a New Year's resolution. For those of you that have not and indeed for those of you that have, could I suggest a few belated ideas for the same.

1. To constantly review basic home and vehicle security, including the locking of doors, the closing of windows and not leaving valuable items out in view of preying eyes.
2. To report suspicious persons, vehicles and activity in your neighborhood to the Police control room on 101 as soon as possible after the incident. If necessary, please continue to use the 999 number.

Thanks for all your continued assistance and support and Best Regards.

PCSO 8139 Dave Airey.
