BPC 2021-036 Groups reports- update from Station adoption group by Jenny Sterland-

A meeting with Kaye Robinson from EMR had been set up for January 8th 2021, but, due to Covid Lockdown number 3, we were unable to meet at the station as planned.

So, I held a telephone conversation with Kaye instead. She told me that she knows of a possible source of funding to supply us with 2 planters and some compost. She will let us know whether she is successful. Meanwhile, she suggested that we should apply to the Community Support Fund for funding to improve the Waiting Room on the Nottingham platform, which is rather unwelcoming, to say the least! So, I have completed the form and submitted it.

Unfortunately, like so many over the past year, our attempts to improve facilities at the station have been delayed, but, at least we now have more contact with EMR.

BPC 2021-037 Items for the next meeting
