PLANNING	Cllr Tee		
Discussion	<p>The Regulation 19 Consultation for the Local Development Plan was now underway. A lengthy discussion was held highlighting the need for all objections to be made asap, the deadline being 9th December.</p> <p>As the LDP was complex it was decided to split the PC into 3 teams which would focus on different aspects of the plan.</p> <p>It was noted with concern the LDP from Canterbury City Council included a large expansion of Adisham which would virtually join the village with Aylesham.</p>

The Council decided on no further action.</p> <p>A new salt bin has been provided by the contractor at the school.</p> <p>Barry Rampton asked whether, due to the current energy crisis, he should have his usual display of Christmas lights.
