National Highways response – Your enquiry about the A27 Lewes to Polegate project – ref CAS-36687-J3C4D0

Dear Mr Richards

Thank you for your letter of 16 December, regarding potential solutions for the A27 Lewes to Polegate project. We acknowledge the concerns of Chalvington with Ripe Parish Council detailed in your letter.

We're at very early stages of our development of this scheme. I'd like to assure you that as part of this early development work, we're carrying out a series of assessments and surveys for a wide range of options. We'll assess these options against a number of criteria, including environmental impacts.

We understand the importance of engaging with the public and businesses to find the best solution for ongoing congestion issues. We'll continue to engage with local communities and businesses as this project progresses.

Thank you for taking the time to contact us. If you have any further questions or concerns, please don't hesitate to get in touch on 0300 123 5000 or email [A27LewestoPolegate@highwaysengland.co.uk](mailto:A27LewestoPolegate@highwaysengland.co.uk).

Kind regards

Tom Rankin
