STANTON HARCOURT & SUTTON PARISH COUNCIL

Have your say on the Local Plan

On August 30th 2023 the WODC will be launching its Local Plan Consultation for 8 weeks closing the 25th October 2023. I recognise many of you are sceptical of consultations, but it is important for you to have your say. The Local Plan shapes our future and the decisions made for the future of West Oxfordshire and is key in developing the areas where we live and work ensuring the surrounding environment isn't negatively impacted. The Local Plan legally has to be reviewed and updated. Many of you will be aware we currently don't have enough housing land supply to meet the current local plan which effects how we make planning decisions. Currently when planning applications are submitted refusal can only be granted if "substantial harm" is identified outweighing the benefits regarding that application.

It is important for those of us in villages to have their say. Within the consultation, which is all encompassing, they will be looking at where housing should be built. There will be several options for you to look at but two of the options focus on villages. Dispersed Growth - A more even distribution of growth with emphasis on small – medium scale development taking place in villages.

Village Clusters – similar to above but with villages considered collectively in clusters based on available services and facilities. We all

recognise that there is a real need for housing and equally a huge demand for affordable housing. The question is: are villages the right place? Villages will still play their part in regard to additional housing numbers but without your input it could be much larger and have a much greater impact on where many of us live now.

Whilst this will be available online and will be fully interactive allowing you to make comments, WODC will be engaging with Town and Parish Councils and will also be happy to receive written feedback on the consultation via email or post. Please register now to ensure that you can have your say. Your Parish Council are already working on this but will need your help! To sign up for more information on the forthcoming Local Plan consultation please visit <https://yourvoice.westoxon.gov.uk/en-GB/>

Community fund 'Westhive' opening soon

Twenty four community support groups in West Oxfordshire have been awarded a total of £27,840 from the Council's Community Activity Grant to assist them in supporting vulnerable community members most affected by the cost of living crisis.

In the Autumn, the Council will be launching its new crowdfunding platform, Westhive, in partnership with Spacehive. The platform will provide local groups and individuals with the opportunity to pitch their project ideas and raise funds to make them happen. The Council will offer support in the crowdfunding process, as well as making pledges of up to £10,000 to selected groups or projects. Further details will be available shortly.

Eynsham Parish Council has confirmed that a local skateboard coach, Mario Santos, has secured permission to use the Eynsham Skatepark to run his lessons and coaching sessions.

SUTTON CHAPEL

Service – Sunday 10th September, at 3.00pm.
Led by Rev Charles Harris, with communion.

The Stanton Harcourt Royal British Legion Branch is 102 years old and was the 3rd Branch to be set up after WWI. The main purpose of the Branch is to coordinate Remembrance around the 11th November every year, to ensure that we as a community do not forget the sacrifice made by so many. Not just the Great War but during all wars and conflicts since.

Currently we only have three active members and desperately need more volunteers to join the branch to help us. Otherwise there is a risk of the branch closing, which would be such a shame after all these years and history. If you are interested in joining the branch then please email Jacqui: gravesjacqui@gmail.com

We'd love you to join us and help us start planning Remembrance 2023.
