

Ashendon Oil Group

This year is the 21st Anniversary of the "Ashendon Oil Group", started by Imogen Holbrook.

During it's 21 years it has purchased just OVER 1 million Litres.

Saving at least 3.5p per litre = £35,000

A few years ago we decided to charge a joining fee of £5

(£1 towards expenses + £4 for "Ashendon Causes")

Approx £1500 has gone to "Worthwhile Ashendon Causes"

I telephone 5 or 6 oil companies to get their VERY BEST price

but most oil companies no longer wish to quote groups.

Lovell's Fuels are looking after us and quoting us 3p/4p per litre below other oil companies !
