Cllr ET confirmed that she had spoken to the landowner regarding the possible removal of the hedge, and he confirmed that he is aware that he needs planning permission to do so.

Action: Clerk to respond to those who have expressed concern about the removal of the hedge informing them that the Parish Council is unable to do anything until a planning application is submitted but will monitor the situation.

8 FINANCE REPORT

8.1 Clerk presented the **Financial Report for April 2021**. Payments totalling £1,034.23 were approved, as detailed on page 2075. Following confirmation of the insurance renewal Clerk added this to the list of payment bringing the total to £2773.98. Following the request for clarification of an invoice from Bucks Council for ‘HGV Weight Restrictions Feasibility’, the invoice was approved by email. Clerk confirmed that she had carried out a reconciliation on both bank accounts.

- 8.2 **Skateboarding**
 Cllr NL confirmed the Heart of Bucks funding of £2,243 and added that there are strict guidelines on when it should be spent. Therefore, he recommended that this funding should be used before the Community Board contribution. It was noted that an application is still with the Hine Memorial Trust.
Action: Cllr NL to confirm when the skateboarding will re-start.
- 8.3 **S106**
- 8.3.1 **Village hall car park**
 The work to the village hall car park was discussed under item 5.
- 8.3.2 Cllr RC asked if S106 funding could be made available to the school. It was noted that there are separate S106 streams for:
- Education
 - Sport & Leisure, and
 - Transport
- It was noted that not all S106 Education funding is spent in the village where it is generated.
Action: Cllr RC to inform the school that it should apply to the Bucks Council Education Department for any funding.
- 8.4 **Insurance Renewal: 1 June 2021**
 The renewal of the insurance with Zurich was approved.
- 8.5 **Annual Governance and Accountability Return (AGAR): 2020-2021**
 Clerk confirmed that the deadline for submission of the AGAR is 2 July and that she had arranged the internal audit for 10 May.
- 8.6 **Finance Meeting**
 It was noted that a Finance Meeting will be held at 8pm on Monday 19 April via ZOOM.
- 9 PLAY EQUIPMENT, TEENAGE RECREATION AREA AND RECREATION GROUND**
- 9.1 **Maintenance**
- 9.1.1 Cllr RC reported that he had removed the pedestrian gate near the 5-a-side pitch and will retain it should it be required in the future.
- 9.1.2 Cllr RC had started to remove the barbed wire near the Tennis Club. It was agreed that a boundary marker should be retained.
Action: Cllr RC to continue to remove the remaining barbed wire and to install a boundary marker.
- 9.2 **Playground Upgrade**
 Cllrs NL and RC reported that they had refined the list of major funders with WREN, the HS2 Community Fund and certain parts of the Lottery being the most suitable.
 They had received 130 pages of words and drawings of play equipment ideas from the school which will be very useful evidence when submitting funding applications.
 It was noted that there are volunteers in the sub-group who can help with the funding applications.
Action: Cllr RC to thank the school of its input.
- 9.3 **Recreation Ground**
 No updates were available.
- 10 BCC DEVOLUTION OF SERVICES**
- 10.1
- 10.1.1 Urban grass cutting: Nothing to report.
- 10.1.2 Hedging: Nothing to report.
- 10.1.3 Siding out: Nothing to report.
- 10.1.4 Rights of Way: Nothing to report.
- 10.1.5 Weed Killing: Nothing to report.
- 10.1.6 Maintenance: Nothing to report

RTM had issued its work schedule for the 2021 season.

It was noted that one cut at the cemetery had already been carried out.

Cllr IM asked Cllrs Rand and Macpherson if they knew how long the Devolved Services grant would continue – they didn't.

Action: Clerk to contact RTM to confirm that the paths from the Village Hall to Moat Lane and the path behind the Willows is included in their work schedule.

11 ROADS AND PATHWAYS

11.1 Potholes

No potholes were reported.

11.2 HGV weight limit

11.2.1 Bucks Council has confirmed that they have some of the costings for the signs and will get back as soon as they have the rest.

11.2.2 HGV's using the village

Complaints regarding HGV's using the village continue. However, it was noted that some of the HGV's are going to the building sites in the village.

11.3 WG Hill & Son access due to EWR bridge work

It was noted that WG Hill & Son will have to use the village roads while the bridge on Station Road is closed between 12 April 2021 and 25 March 2022 and hoped that the residents would be sympathetic. It was hoped that Hill's lorries would keep to a 20mph speed limit, especially through West Edge. Cllr AM reported that Bucks Council and EWR have been working with Mr Hill to try to mitigate the problem.

Cllr AM suggested asking EWR to supply 20mph signage.

Action: Clerk to email Cllr AM the preferred location for the signs.

11.4 Speedwatch

Nothing to report.

11.5 Pedestrian Gate

The replacement of the pedestrian gate on the path between the village hall and Moat Lane is the responsibility of the landowner and the Bucks Council Area Rights of Way Officer.

11.6 Dangerous Parking

The Parish Council had been approached regarding what is considered to be dangerous parking in West Edge. It was noted that this is not within the power of the Parish Council to resolve and if the vehicle is taxed and insured there is very little the police can do.

Action: Clerk to follow up with the local PCSO to ask him to investigate whether or not the vehicle is parked dangerously and to ask the owner to move it if it is.

12 STREET LIGHTING

No faults were reported.

Action: Cllr ET to check lights.

13 CEMETERY

13.1 General Maintenance

There were no updates.

13.2 Burial, Interments, Advance booking requests and Memorial applications

There were no requests.

13.3 Requests to move a bench from the pergola to the right hand side of the entrance and to move a bench from the Plough to the cemetery were refused. It was noted that a bench had previously been sited just inside the entrance, but the Parish Council had received numerous complaints and had had to move it.

It was suggested that a more appropriate location for the bench at the Plough might be the recreation ground.

Action: Chair to inform those who had made the requests and explain that the Parish Council did not wish to create a precedent by agreeing to these requests.

14 ENVIRONMENTAL MATTERS

14.1 Flooding

Cllr ET continues to report all the sewage problems to Thames Water, who still have not given the Council a date for a site visit.

It had been noted that one of the causes of the flooding is the disposal of wet wipes into the system, which are not bio-degradable.

Action: Cllr NL to put a note on Facebook to ask residents NOT to flush wet wipes down the toilet as they are not degradable.

It was noted that details of riparian owners still need to be sent to TfB so that TfB can write to them.

Action: Chair and Clerk to liaise.

14.1.2 Emergency Plan

Clerk had circulated a Bucks Council document to Councillors to aid the preparation of an Emergency Plan.

14.2 Mud Pond

The tree at Mud Pond had been felled but there was no update about a replacement.

14.3 Litter Pick

A recent litter pick had generated 30 bags of litter. Cllr ET and Peter Ferens had thanked those residents who had helped.

It was noted that the village signs had been cleaned and Cllr ET had thanked the resident who had cleaned them.

It was agreed to have a **Working Party on 15 May.**

Action: Cllrs ET and NL to prepare list of jobs and to advertise it on Facebook.

15 STREET FURNITURE

Andy Miller had taken the notice board away for repair.

Action: Chair and Cllr RC to enquire when the notice board will be replaced.

16 OXFORD TO CAMBRIDGE EXPRESSWAY

Now that the Oxford to Cambridge Expressway has been cancelled, this item can be removed from the agenda.

17 HS2

No updates were available.

18 EAST WEST RAIL

This was discussed under item 11 above. However, it was noted also that EWR may have some funding / help available to mitigate some of the problems they have caused, for example repairing verges.

Cllr IM noted that previously, the Parish Council had to cover insurance, supervision, equipment and toilet facilities. Cllr AM reported that these requirements may no longer apply.

Action: Clerk to add to the Finance meeting agenda the need to prepare a 'wish list' to be forwarded to Cllr AM.

19 VILLAGE HALL

 - Access to small/large scale learning, events and training
 - Online networking opportunities

 - Enhanced support for Plunkett Community Business members.
- He also reported that he would be preparing a Prospectus and had received offers of help from 40 residents and had split these into workstreams.
- 24 POLICIES**
Councillors had reviewed and approved the following policies:
- Code of Conduct
 - Financial Regulations
 - Standing Orders
 - Data Protection
- It was agreed to review the list again to decide what other policies to adopt.
Action: Councillors to revisit the list of suggested policies.
- 25 PARISH CHARTER**
Councillors did not response to the questionnaire.
- 26 JUBILEE PLANTATION**
The Jubilee Plantation, at the Charndon Road end of Little Marsh, needs tidying.
- 27 NEIGHBOURHOOD PLAN**
Cllr IM offered to help (but not lead) with the Neighbourhood Plan renewal. It will only be known how much work will be involved once the Vale of Aylesbury Local Plan has been passed.
- 28 Telephone Box**
It was noted that BT is giving away telephone boxes to be re-purposed as, for examples, libraries.
Action: Cllr NL to send Councillors more details before a decision is made as to whether the Parish Council wishes to be involved.

29 ANY OTHER BUSINESS

29.1 Cllr Ian Metherell

Ian said that he had enjoyed his 30 years as a Councillor and thanked Cllr Macpherson for her immense help which he had found invaluable. He went on to thank all the Councillors and Clerk for their help. With Cllrs RC and NL joining the Council he thought that the Council had a brilliant team going forward.

Councillors and Clerk wished Ian well for the future and thought that he would be greatly missed.
