Press Release

Update on coach parking discussions following the April Parish Council Meeting

At last night's Bourton-on-the-Water Parish Council meeting it was agreed to continue to engage with Cotswold District Council to discuss the use of the Rissington Road car park for coaches. A meeting has already been arranged next week for Gloucestershire County Council Highways, County, District and Parish Councillors, the police and Pulhams Coaches to look at other potential solutions for coach parking, pick-up and drop off in the village.

It was also agreed to engage with Gloucestershire County Council Highways to take forward the Parish Council's request to implement an Experimental Traffic Regulation Order (TRO) to better manage traffic and coach movements within the village. The Parish Council would like to stress that it does not have the authority to implement any TROs but can only make recommendations to the County Council to do so.
