

REPORT TO FULL COUNCIL ON PROGRESS OF ALLOTMENTS GROUP

Cllrs. Buller, Butcher, Fairfax, Frodsham and John Kelly and resident Barrett Manning met on 5th August. They are actively exploring a number of sites and considering the implications of legalities, costs and rules and regulations. Particular thanks to BM who is actively researching this surprisingly complicated area. The provision of allotments is the only duty SPC owes to the parishioners of Staplehurst and the group appreciates that SPC is anxious to make this important facility available. The group will meet again on 16th September and hopes to have more concrete proposals to report soon after.
