As you read this, we are well into the summer social season.

We've had some great nights so far, with the visit of the famous Bowler meatball truck a recent highlight. This was very well received (and many of us were very well fed); good news is we hope to see Jez and his team again sometime this summer. Our aim is to offer some type of food most Fridays; as ever, please look to Facebook for regular updates.

For the new season you might have noticed we have had to make some price rises. It's not something we wanted to do, but to open up on a Friday night we have to buy our supplies plus meet the costs of the Pavilion hire and cleaning, for which we have to find £81 every Friday before we've even sold a packet of crisps.

We have taken on board feedback but we do have to cover our costs, which goes back into running the Pavilion and keeping it there for us all and indeed we also aim to make a modest profit which goes to the Moulsford Parish Council, which also ends up straight back benefitting the village. So, please bear with us; we have carefully considered all the prices and we believe them to be very fair.

Looking ahead again, we're all excited about the big event coming up: the Platinum Jubilee. Hopefully you've already seen the full details on the front cover of this MN - we hope to see you there!

After that, on Friday June 17th it's a fun kids' toys bring and buy/swap event. Basically, kids can run their own tables to declutter/get more clutter.

Another highlight of the social season will be the fun dog show on Friday 24th June; full details further on in this edition; contact Hilary on 07880 732381.

Moving into July, we have the now traditional kids village camp out on the Recreation Ground on Friday 8th July; pitch a tent, stay up late and there'll be hot chocolate for all campers.

Finally, we have a vacancy on the Events Committee for a new member. If you enjoy events, have great ideas, a can-do attitude, want to help your community and think you might be interested in joining our team, please do get in touch! Give me a call on 07831 152900 or drop me a line at wildlifeningel@hotmail.co.uk to find out all about it.

It's going to be a Big Month for events, so fingers crossed for the weather and we look forwards to seeing you all at the celebrations!

North Wessex Downs Walking Festival

To celebrate the 50th Anniversary of NWD AONB a walking festival across the length and breadth of the area has been organised from 11th to 26th June.

There are 28 different walks with guides to: "discover wildlife, history and culture, follow an accessible trail, visit a working farm, enjoy a family picnic, explore a forest - or simply soak up the stunning views from the top of the downs."

Their Walking Festival page has a map of all their walks, with the length of the walk and date of availability.

Find out more from the NWD AONB website: <https://www.northwessexdowns.org.uk/walking/>

In the middle of May, MPC received exciting news from SODC and Vale of White Horse that Moulsoford's application to participate in a pilot scheme for Local Placemaking Plans has been successful. This initiative is described as a national pilot for a new, simpler approach to neighbourhood planning; we are one of four community groups selected in the South Oxfordshire area. After our introduction to the project we will be in a position to set up a working group which will be chaired by Cllr Sue Powell with at least one other member from MPC, other members we will co-opt from our community.

Also in May, we held our Annual Parish Council Meeting which, for this council, marks the start of our final year. The Annual Parish Meeting of Electors (APM), the first in person since 2019 and the first with digital presentations was held towards the end of the month. With a mixed agenda of parish council plans to see out our term and a variety of community interests, (this meeting had not taken place at time of writing) hopefully well received by those attending. We are interested in making the most of the APM so would welcome your constructive ideas, please email them to the clerk: parishclerk@moulsoford-pc.org.

Finally, we are sorry to be reporting that our clerk, Geoff Twibell, has handed in his resignation and will be leaving us at the end of June.

When this council started back in 2019, Geoff came with glowing references from the previous council; unbelievably he has more than met our expectations. Geoff's boots are going to take some filling, not just for his understanding of council procedures but also his encyclopaedic local knowledge. He'll be sorely missed.

Church Chatter

Janet Knowles

The season of Easter is fast drawing to its close and on 26th May we will be marking Ascension day. With our South Africa partnership friends and some members of Cholsey church we will be sharing daily, a series of short readings and prayers for the ten days leading up to Pentecost (Whit Sunday). This short programme is known as 'Thy Kingdom Come'. The archbishops of Canterbury and York encourage us to remember 5 people specifically who we would like to support with our prayers and help. We will be inviting different members of our parishes to write a short reflection/commentary on the theme for the day as we build up a prayer wall. If you are passing the church why not pop in and see what is happening or spend a few minutes enjoying the peace and quiet of the churchyard to sit and admire all the hard work of a small team of village volunteers who do such a splendid job maintaining it for us all.

Pentecost Sunday is also the day when as a village we will be celebrating the Queen's Platinum Jubilee with our community picnic. We hope the weather will be warm and sunny, as we gather at the Pavilion with our rugs or chairs to enjoy our lunches before an afternoon filled with events for all age groups. The church will be offering cream teas between all the exciting activities so we will look forward to seeing as many people as possible as we have fun.

Don't forget if any children would like to help decorate the church for this very special occasion do please bring along your jam jars filled with flowers - garden or wild - so we can all enjoy making the church look especially festive for the Jubilee weekend.

As you will be aware we are in a period known as an Interregnum (without a vicar) and a lot of work is going on behind the scenes to prepare the necessary information about our Benefice - Cholsey and Moulsoford churches and communities - which we hope will attract a new priest to come to live, lead our worship and get to know our village community. We hope to hold interviews for the post in late September which should mean we will have a new vicar at the beginning of 2023.

Watercress Painters

The Ewelme Watercress Painters will be playing their part in the upcoming Festival of Ewelme over the Jubilee weekend, 2-5 June 2022 with an exhibition along the theme 'What Ewelme means to me' with artworks depicting various aspects of this historic South Oxfordshire village as well as other paintings and arts and crafts by Ewelme villagers.

Also featured will be the delayed unveiling of their huge composite of David Hockney's Spring Tunnel consisting of 12 x A3 parts of this painting in different media. This started as an idea in 2019 when members brought along copies of paintings which they each felt a passion for and a vote was held. The winner turned out to be one of David Hockney's depictions of the Yorkshire Wolds – the joyful Spring Tunnel celebrating Spring in all its glory. He completed large canvasses of the same scene in winter, spring, summer and autumn and each was shown at his exhibition 'A Bigger Picture' held at the Royal Academy in 2012. We can't say that it will sell for £20.3 million as per the sum paid a couple of years ago for his wonderful painting 'The Splash' but it will hopefully bring some joy!

The exhibition will be held in the beautiful village church of St Mary's, Parsons Lane, OX10 6HS, on Friday, 3rd - Sunday, 5th June from 10-4. The Watercress Painters look forward to welcoming you over what we hope will be a glorious and memorable weekend.

Elli the Gardener

Gardening diary

Hello! This month I have filled up my bed by planting some more plants into it, including my dahlias and salvias. First we had to make sure that they were hardy enough to live outside in the allotment. We took them on “day trips” outside, and then started to leave them in the greenhouse at night.

The first time the peppers and tomatoes were outside during the night it was really cold. My dad made this really cool radiator by getting a candle, putting it on the ground and putting the baking tray above it using some bricks.

I also potted on some stocks and thinned our nicotina.

I don't know if you remember, but last year I took some cuttings of rosemary and sage. They have been coming on very nicely and we have sold a few at a car boot sale, along with some oregano, some peppers and chillies which we planted this year and some mint. I am hoping to sell some more outside my house soon as well, so if you want any plants then be sure to wander round and buy some. All the profits will go to PLAN INTERNATIONAL who are helping Ukrainian refugees.

That is all for now, onto the quiz!

Gardening Quiz

1. Is rosary pea poisonous?
2. What is the Latin name for potato?
3. How does the jewelweed spread its seeds?
4. What features of the carrion plant help it to pollinate?
5. Is red clover edible?

Challenge

If you buy plants from garden centers, always keep the plastic pots which they come in! It's tempting to throw these away to not have too much stuff lying around, but they are very useful for future garden projects, for example when taking cuttings or sowing seeds.

Gardening Tip

You can grow spring onions from old spring onions. All you have to do is cut off roughly 5 cm off the bottom of the spring onion and soak it in water until the roots start growing. This is normally a week to ten days. Then you just plant it up.

Answers for the last Quiz

1. Achillea millefolium is the latin name for yarrow.
2. The venus flytrap is in the family Droseraceae.
3. Larch, dawn redwood and bald cypress all drop their needles regularly.
4. Arnica is a great herb for bruises.
5. Conker trees are also known as horse chestnuts.

BONUS: Horse chestnuts (conkers) will give you a stomach ache if you eat them but sweet chestnuts are definitely edible. They are often roasted.

Village News

Little WALK WITH ME

Last Sunday me and my mum and my friends Elli and Emily with their mum Kat went on a long walk which was 10 miles. It was for a charity called 'I am and I can'.

When we began the walk from the Moultsford prep school we were at the back but when we got further into the walk we started overtaking people. When we got on to Badgers Bank we were fully in front. When we were in front we all talked about staying in front of everybody, it didn't matter if we were overtaken but of course we kept pushing to be in front. When we got down to the red gate at the bottom of Badgers Bank we were still in front! We were all so happy and we all said that when we see each marshal we will all high five them. When we saw the marshal we all gave them a high five and they said 'well done you are first' but now there is a steep hill....

Once we were half way up the hill some people behind us had overtaken my mum, Leah and Kat and so we all kept shouting 'come on, you can do it'. Eventually we stopped calling because we were quite tired so Ellie kept giving us power sweets to keep us going. At the next marshal we high fived them but this time they had a dog, which I stopped to stroke but this made me miss the free Haribo. When we entered the wild garlic wood it smelled so good and then we were on the Ridgeway.

Nearly at the half way point now but sadly we left Emily and Kat behind us. Once we got to The Bell pub we got free water and sweets to keep us going. Then we crossed two amazing fields and then it started to rain :-(but I got to wear my new raincoat :-)

At the bottom of the valley my legs were really sore but the people behind us kept pushing us along. At the next marshal we were in Streatley, we walked down the private road and to the river and back to Moultsford School. At the school everyone was cheering and it was so cool. I had a good sit down in the marquee and I ate my packed lunch, after that I went to check out a really cool bus which you could make pizzas in, colour in pictures and blow up balloons and talk about helping young people, I also got free pens, a bag and water bottles.

I hope you will be able to do the little walk with me next year.

Hanna Partridge, age 10

Bring and Buy - A great success

A big thank you to everyone who supported our Bring and Buy Spring Fair; we raised £809 for the Ukraine crisis! Without all the help we received, Julia and I could not have done this - the help comes from items brought in, setting up, buying and clearing up. We are so lucky to have such support from Moulsoford and Julia's friends in Wallingford. Thank you so much.!
