

# West Ilsley News

September 2001

How the mind plays tricks when something unusual occurs. The response in the village to the recent flying visit from our boys in blue seems generally split 50/50 between those who slept right through it (or would have done had their sleeping partners not decided that they should witness the "close encounter") and those who were quite convinced as they surfaced that there was some late-night combining going on! We have to report another phenomenon - that of disappearing overhanging vegetation along the pavement between the Maltings entrance and WI House's window. Pram-pushers will be especially grateful to the phantom clippers for their public-spirited efforts.

BUSES - The Good News Peter Bartaby

After correspondence and telephone conversations over many months I'm now delighted to tell Residents that, at last, we're to get a PROPER service into and out from the Village to both DIDCOT and NEWBURY.

Starting on Monday 3<sup>rd</sup> September there will be 6 buses a day (Monday-Friday) with 5 on Saturdays to NEWBURY leaving the Village at 07.40(N.S); 09.31; 11.31; 13.31; 15.31 and 17.31. The return journeys are from Newbury at 07.29; 10.10; 12.10; 14.10; 16.10 and 18.10. Normal journey time each way is timetabled at 34 minutes.

From the same date Villagers will be able to get to DIDCOT on services leaving at 08.44; 10.44; 12.44; 14.44 and 16.44. Return times from DIDCOT are at 09.10; 11.10; 13.10; 15.10 and 17.10 and this service's journey time around 26 minutes.

Details as to where the service will operate to/from Didcot are not yet available but it is hoped that they will be serving both the Town (possibly even Tesco) and DIDCOT PARKWAY Station. I will get this information as soon as possible and post same on the Village Notice Board where the whole service timetable is now displayed.

I regard this as a TREMENDOUS breakthrough in getting [much] improved services for the Village and hope that they will be well used - bearing in mind the old adage - USE IT OR LOSE IT.

Services on these routes will be provided by NEWBURY BUSES whose contact number is 01635 567500.

I am also informed that Weaveaway Travel's services on Monday, Tuesday and Friday leaving the Village at 09.15 and allowing over 3 hours in Central Reading will continue unchanged.

## MISS TOFFELLEES

Only a quickie this month as, I only had one news item until this morning. The one news item was to report the arrival of the new chaps in the bungalow at the bottom of The Maltings (what we call Alec's bungalow-it's odd how one hangs onto the past!). However, I have messed up there and now I'm going to offend them deeply because having politely introduced myself, I can't remember their names. For this I apologise most profusely. I should have written it down as I can trust only a few things to memory these days. I shall have to get some gigabytes in my (RA)Memory or clear some of the junk that's occupying the recesses of my mind! Could you smile at me next month and I'll announce you all properly and document you decently next time? Alternatively, let Andrea or Steve know and I shan't have to be middle man. You could be announced without my knowing!

Am I the only to have noticed the number of 'cat missing' notices in both the WIN and displayed in the PO. There is yet another notice in the PO this month

following last month's plea in the WIN from the Patersons for information on their moggy. It seems to me there is a large number of cats who disappear in West Ilsley. Is this natural causes, car accidents or something more suspicious? (Cats eating poisoned rat?) How can all these cats just disappear without trace? I know that they just vanish without any trace, our cat did when I was 12 and I was heartbroken.

I have pressed on to try and get information (and gossip) from the yard. Stable news is of interest to all of us. In one quick conversation with Jill Headley, I discovered that there had been many winners from West Ilsley this month. Group (high quality!) winners at York included Queen's Logic, a two year old filly, in The Lowther Stakes, a group two winner at Deauville (Yahajah another two year old filly) and Kevin Keegan's horse, Funfair Wane at Newbury last week. Watch this space for more details next month, I have been promised!!

Lastly, we are all going to have to be vigilant against FMD again. I wonder if they will resort to vaccination? The death threat as a result of FMD hanging over the animals does not disappear and the warmth and sun of summer is going to fade along with the hopes of eliminating the virus this year.

## NEW ARRIVALS

Please will departing residents be kind enough to let the Editors know who will be moving into their house when they leave so that we can welcome them to the village?

## WATERMILL

### THEATRE TRIP

Andrea Cook

Following the success of the last trip, we're organising another West Ilsley visit to the Watermill on Wednesday, 24<sup>th</sup> October, to see:

### PIAF By Pam Gems

**Lighting by Wayne Dowdeswell**

***"Highly entertaining, deeply moving"***

From singing in the streets to being the highest paid singer in the world, Piaf has left us with her wonderful legacy of great songs which reflect an extraordinary life.

Pam Gems' gutsy play has been a great success throughout the world and the Watermill's music-theatre company will tell this explosive story in their own inimitable way.

Milord, La Vie En Rose, Non Je Ne Regrette Rien -just a few of the classic songs you will hear as part of this remarkable story, the story of EDITH PIAF!
