MPC Action Plan

MARDEN PARISH COUNCIL

ACTION PLAN

Introduction

This Action Plan is intended to be a working document which will be continuously updated following consultations/additional information received and raised at Council meetings.

There is an ongoing objective to identify the issues of most concern with residents of Marden, to prioritise these issues and to decide how these can be implemented and resolved.

What Is Marden Parish Council?

Marden Parish Council (MPC) is the level of government that is closest to the community and sits under Maidstone Borough and Kent County Councils. Marden PC is often the first place that residents contact with their concerns, questions, issues and ideas.

It makes decisions and recommendations to other agencies on behalf of the residents in the parish of Marden with regard to crime prevention, planning matters, amenities, roads and highways. A Parish Council cannot do anything that is not permitted by law.

MPC has limited powers to make decisions but does have the ability to negotiate with and the power to influence those other organisations that do make the final decisions such as Maidstone Borough Council, Kent County Council, Kent Police etc.

MPC owns and manages publicly accessible land in the Parish at Southons Field, Marden Playing Field and Marden Cemetery. MPC holds a lease from Maidstone Borough Council to maintain and manage the Public Conveniences. It organises and manages the Summer Play scheme and several village events throughout the year.

The Localism Act 2011 sought to decentralize administrative power from central government towards localities, empowering communities to enable them to make better responses to community problems. Marden Parish Council continually seeks to be actively involved in the delivery of many local services.

Our Village Now

Marden is situated approximately 8 miles south of the County Town of Maidstone with its excellent shopping, educational and recreational facilities.

The Parish of Marden, which includes Chainhurst, consists of mainly mixed farming and at the 2021 Census recorded a population of 5027. This represents a 35% increase in population since the 2011 Census due to the number of new housing developments permitted since the introduction of the National Planning Policy Framework.

The village stretches from the River Beult at Hunton Road (Chainhurst) and Maidstone Road (A229) in the North to Marden Thorn in the South and from Winchett Hill in the West to A229 Riverfield Farm in the East. The centre of the village is the main shopping hub along with the library, Church and main line station.

The village benefits from local shops including a Post Office, three Convenience Stores, Butchers and Bakers. The village boasts three Public Houses, all of which serve good food and the Village Club. There is also a Chinese take-away, fish and chip/kebab shop, a cafe and two Indian restaurants. The village is well served by its successful Medical Centre, Dentist and Hairdressers, Beauty Salon as well as two Garages and Veterinary Surgery. Marden also has a very large business community – the majority of which is in Pattenden Lane. Marden Station offers a regular main line service to London and the South East.

The Conservation Area in Marden is from Albion Road through the village to Church Green/West End. [Marden Conservation Area - Marden Parish Council - Marden Parish Council, Marden, Tonbridge \(mardenkent-pc.gov.uk\)](#)

There is a large number of organisations within the village which are run mainly by groups of volunteers from arts & crafts to sports & exercise classes. [Village Groups and Clubs - Marden Parish Council - Marden Parish Council, Marden, Tonbridge \(mardenkent-pc.gov.uk\)](#)

Consultations

[Marden Parish Council Consultations - Marden Parish Council - Marden Parish Council, Marden, Tonbridge \(mardenkent-pc.gov.uk\)](#)

Over many years MPC, along with help from volunteers, has undertaken consultations on the Village Design Statement, the Community Plan and the Marden Neighbourhood Plan. These have been through surveys, public open days and more recently through social media.

In recent years more localised consultations have taken place on the Highways Improvement Plan (HIP) [Microsoft Word - Highways Improvement Plan v18 January 2024 \(mardenkent-pc.gov.uk\)](#), Infrastructure Spend Plan (ISP) [Microsoft Word - Infrastructure Spend Plan v12 January 2024 \(mardenkent-pc.gov.uk\)](#), parking and open space.

In 2024 MPC is consulting residents on the proposed refurbishment of the pavilion at Marden Playing Field along with feedback on the ISP. [Changing Rooms Consultation - Marden Parish Council - Marden Parish Council, Marden, Tonbridge \(mardenkent-pc.gov.uk\)](#)

A Safe Community

Speeding traffic is always a concern with residents especially on the B2079 and MPC is in the process of introducing Speed Watch in several locations in the village with the help of volunteers. Areas of additional single and double yellow lines are also being consulted on.

The Highways Improvement Plan is a working document where issues which are raised by residents are added to and each year these items are prioritised and discussed with Kent Highways for ways to address issues raised. Unfortunately, some are too costly and are having to be either removed from the list or planned for future works.

Environmental Concerns

[MPC Enviroment Sub-Group - Marden Parish Council - Marden Parish Council, Marden, Tonbridge \(mardenkent-pc.gov.uk\)](https://mardenkent-pc.gov.uk)

MPC continues to receive complaints about dog waste, litter and fly tipping and these are reported direct to the Borough Council. Additional litter bins are placed in the areas of open space owned by the Parish Council.

MPC has a volunteer tree warden who conducts inspections every six months on parish owned trees and reports back to the Amenities Committee on any issues. The Parish Council caretakers undertakes monthly checks to ensure that all MPC trees are safe, especially after high winds.

Marden in Bloom have planted a wildflower meadow in Southons Field which continues to flourish, many thousands of spring bulbs around the parish and planters in the village centre along with a dedicated area at Marden Cemetery for the scattering of ashes. 2000 trees have been planted in 2024 on land owned by the Parish Council behind the Cemetery.

MPC now has a legal biodiversity duty and the Environmental Sub-Group is proactive with looking at ways we can work to become carbon neutral and meets on a regular basis to also look at how we can better maintain our open space and ways of working.

Information and Communication

MPC has social media platforms on Facebook, Instagram and Twitter (X) which is updated regularly with meeting agendas, roadworks and any relevant information about Marden and the surrounding area. We have a newsletter that is delivered every four months to all households within the parish along with a weekly e-newsletter which provides regular updates for those who are not on social media.

A Welcome Pack is available to all new residents which provides information on village organisations and agencies. [Village Welcome Pack - Marden Parish Council - Marden Parish Council, Marden, Tonbridge \(mardenkent-pc.gov.uk\)](https://mardenkent-pc.gov.uk)

MPC Owned Village Facilities

There are several play areas owned and maintained by the Parish Council within the parish with an Under 5's play area at Napoleon Drive, Under 14's play area, sports wall and outdoor gym at Marden Playing Field and a play trail and bay swing at Southons Field.

We were able to finance the replacement of the Under 5's play area and the under 12's play area along with the new outdoor gym, footway around the playing field and youth shelter through S106 developer contributions.

Currently we are looking at ways to enhance/refurbish the sports pavilion at Marden Playing Field into a community facility as it is no longer required as a sports facility, through S106 contributions.

We hold the Summer Play Scheme during the school summer holidays and this is extremely popular. This is usually held at Marden Primary Academy and we employ a manager and staff to run this. The play scheme is funded by MPC with some support from Kent County Councillor grant and we are able to offer free places for families in financial hardship.

Following completion of a housing development within the parish an allotment site was provided. However, this is taking time to transfer from the developer to the Parish Council. It is hoped that this can be completed in 2024.

Going Forward

We continue to review the Highways Improvement Plan and Instructure Spend Plan and undertake some of the issues listed on these with funding from S106, Parish Precept, grants and Community Infrastructure Levy money.

The Marden Neighbourhood Plan is currently being reviewed alongside the Maidstone Borough Council Local Plan review and further consultations will be held in due course.

Changing Rooms consultation in March 2024.

An advert has been placed in newsletters for Speed Watch volunteers – a list is currently being compiled along with ensuring that locations within the village still continue to meet the criteria set by Kent Police. Following training it is hoped that the project will be up and running early 2024.

Environmental issues will continue to be addressed working towards reducing our carbon footprint.

Allotment site at Highwood Green to be transferred from Redrow to Marden Parish Council. Once transferred a lease between Marden PC and Marden Allocation Association will be entered into.

To install additional CCTV cameras at Marden Playing Field.

All other work undertaken by employed staff.
To provide play facilities	To maintain the play and fitness equipment	To conduct weekly play inspections and take action. To arrange annual play inspection by outside company	Clerk/Contractor	Ongoing	Annual play inspection undertaken January
To comply with Health and Safety	To establish condition of trees	Monthly visual tree survey to be undertaken / six monthly report by Tree Warden / 3-yearly tree audit by arborologist	Clerk / Caretaker / Contractor	Ongoing	Three year tree audit due June 2024.
To renovate facility	To upgrade footpaths, changing rooms, picnic benches	Obtain grant funding for footpath links. Changing Rooms refurbishment funding from S106 other grant funding options to be investigated	Clerk	Ongoing	Footpath extension at Marden library (KCC grant) - completed Footpath extension between Windsor Meadow and The Parsonage (Love Where You Live Grant - to be completed February 2024.

Aim	Objective	Action	Who By	Completion Date	Update/Notes
To enhance the parish and its amenities	To continue to seek funding for established projects such as Summer Play Scheme and enhancement of open spaces	To complete relevant grant funding applications as appropriate and within the timescales	Clerk	Ongoing	

MARDEN PARISH COUNCIL *(last updated January 2024)*

MPC ACTION PLAN *(5-year)*

Marden Parish Council will publish a rolling 5-year action plan annually in May. The Plan will be drawn from the budget which is set in December and which includes project expenditure for the forthcoming year, and ring-fenced expenditure for larger items.

Marden Parish Council will continually review the action plan and will add any matters as required through the year. The Action Plan will be formally reviewed by the Council on a quarterly basis, to include an update on the matters identified; addition of any further appropriate actions identified during the quarter; and signing off of any completed actions.

This document should also be viewed alongside the Infrastructure Spend Plan document in regard to Projects
