This early evening club is for young people
aged 8+ years who attend Castledon school.

It is a great place for young people with SEN
to make friends, have fun, and improve their
social communication and life skills in order
to develop their independence.

Activities will include board games, quizzes,
arts & crafts, treasure hunts, forestry activities,
interactive group gaming and supporting the
young people with their homework.

A light evening meal/snack is also included which
the small group will prepare and eat together.

This programme provides nearly 4 hours of high
level support for your young person, allowing
parent carers extra time in the evenings to enable
them to work, go shopping or to pursue their own
leisure activities. Festival Leisure Park in Basildon
is only a few minutes away by car, giving
parent carers and siblings the time to
enjoy an evening meal or activity
themselves after school.
