

NWPC - CLERK'S REPORT & CORRESPONDENCE RECEIVED.

10th July 2022 meeting

ITEM	DECISION REQUIRED	ACTION TO BE TAKEN.
1. The insurance for the Village Hall rebuild costs has been reviewed and whilst the policy has been index linked as standard since 2017, the increases may not have been sufficient given the current surge in building material prices. The insurers have been asked to increase the cover to £306,000. This has been based on 4% increases since 2014 and a 10% increase in the last year. A formal rebuild quote is being requested from the original builder, which will be forwarded to the insurers once received.	NO	Clerk to follow up with builder.
2. Work request sheets have been sent to three local electricians to quote for works at the playing fields, village green and village hall. No prices have been received back yet.	NO	Clerk to follow up.
