

NEW ACQUISITION OF LAND BY B.M.AT.

B.M.A.T has purchased the land surrounded by Haste Hill, Hubbards Lane and Heath Road to ensure that this land can never be developed. The attached plan shows the land that has been acquired. The land has been leased back to the previous owners on long term leases and can only be used for agricultural purposes. The land opposite the Cornwallis School can however be used for school playing fields if required by the school.

The acquisition was made possible by the desire of the previous owners, long established families of the village, to play their part in protecting the rural character of the village and B.M.A.T acknowledges their role in achieving this excellent result.
