The following issues have been raised as we have detected issues with the governance arrangements of the smaller authority. It is recommended that the smaller authority consider these matters and decide what action to take to improve the governance arrangements as soon as possible.

Assets

What is the issue?

The assets figure has increased this year as assets were identified during the year and reflected in the assets value this year.

Why has this issue been raised?

This is a note for the reader of the accounts to explain the movement in fixed assets

What do we recommend you do?

The asset register should be reviewed on an annual basis and any missing assets identified should be included at cost.
