The Parish Office, Village Centre, High Street, Staplehurst. TN12 0BJ

Suggested 20mph speed limit area in Staplehurst

Dear Residents,

The safety of pedestrians of all ages is of great concern to Staplehurst Parish Council and residents. One possibility is to apply to the Maidstone Borough Council Joint Transportation Board and Kent County Council Highways Department to be part of their 'pilot studies' into 20mph speed reduction areas.

One suggestion is shown by the hatched area to slow traffic near the school, recreation ground and Pope Drive grass area. No scheme is without costs and it is paramount that the Parish Council can clearly demonstrate that a scheme would have wide public support. If you agree that reducing the speeds of vehicles using our roads would be beneficial, please complete this slip and return it to the Parish Office. (The letterbox is to the right of the right-hand door in the Village Centre.) Alternatively, please email your support to admin@staplehurstvillage.org.uk and remember to include your postcode.

Any personal data you provide will be used only in connection with this survey and will not be shared with third parties. For full information about our data protection policies, please visit our website <https://www.staplehurst-pc.uk/community/staplehurst-parish-council-13607/policies-procedures/>.

Thank you.

Your postcode **TN12** ___ ___ ___

Dated / /

I (strongly agree / agree / disagree / strongly disagree) with the suggestion to reduce the speed limit from 30mph to 20mph in the area shown on the map.

Any other comments?
