

Annual Parish Meeting Report 2024

Cllr Rufus Gilbert

Devon County Council

GENERAL ROADS:

- Devon has 8,500 miles of roads and 426 Parish Councils.
- To put Devon's roads back to something reasonable would require about £1.2 billion.
- There has been the wettest year for 130 years, the system can't cope and was not designed to do so under these conditions.
- Highways will do their best to catch up with repairs in the summer.
- Please keep reporting the potholes/flooding etc www.new.devon.gov.uk/roads-and-transport/report-a-problem

DEVOLUTION:

This is progressing well and for further information please visit:

MOBILE LIBRARIES.

Sadly, this service has had to be discontinued due to lack of patronage and costs.

No static libraries have been closed.

Please contact your local library for information on book delivery.

LOCALITY FUNDING.

Most of my parishes have been given some funding, which I hope was found to be helpful.

GENERAL.

I have attended to many varied enquiries and matters of concern across all my sixteen parishes and towns.

Not least being South West Water road closure in Modbury this year.
