

Moulsford Events

Nigel Baker

Spring is officially nearly here, so the Events Committee are busy planning for the warmer months ahead.

So far we have held two winter socials, and nearly upon us is the Village quiz night at the Pavilion, complete with fish and chip supper, on Saturday 12th March from 7.30pm. Old hands and first timers all welcome; if you want to give it a go, and are ready to join a team or set up a new team call Twinks to book your place on 651548.

Less socially distanced now than a Downing Street work do, but it is BYOB.

After that, the next Friday Social will be on 18th March, at the Pavilion as usual. Bar open from 6.30pm and don't forget your surplus seeds to have another go at the seed swap.

On Saturday 26th March the Events team are supporting the Parish Council's Jubilee Tree planting at the Rec where you can get hands on with various conservation activities plus get refreshed afterwards: full details inside your Moulsford News.

A little further ahead:

Easter weekend brings the kids' Traditional Easter egg hunt on Easter Sunday 17th April, meet 10.30am at the Pavilion and bring something to put your goodies in.

Regular Friday Socials start from Friday 22nd April and the Bangers and Bubbles night will be on Friday 29th and then onwards through the summer. We'll keep you updated on social special events such the Dog Show and Camping Night and when various catering is on, but of course the BIG ONE will be the Platinum Jubilee weekend in early June, for which we are aiming for a full Village Celebration - get your bunting ready!

Much further ahead on the horizon is Moulstfest in September, food and fun for all... Keep watching your Moulsford News and village social media and we can't wait to see you all again soon!

Your parish council has been kept busy for the last couple of months. Draft minutes of that meeting are already on the village Web site if you wish to take a look.

We learned of suggested changes to neighbourhood planning to make it more accessible to smaller villages like ours. Such plans give communities more of a say on development and potentially give access to the levies developers pay for essential facilities.

After a challenging 2021 social calendar, the council was hugely appreciative of a generous £1,500 donation from the events committee. This money will go towards the refresh of the recreation ground and playground. On that topic see the separate item by project lead Jo Baker.

Hopefully you will have seen the results of the 'big clean' initiative by South Oxfordshire District Council. They are returning to Moulsoford in May to continue the work and we'd like to hear of any areas you think warrant attention. Please contact parishclerk@moulsoford-pc.org.uk.

The issue of traffic and parking in Willow Court Lane came up again in February. The council plans to hold a liaison meeting soon with Cranford School where we hope to iron out at least some of the difficulties experienced by residents.

Finally the annual parish meeting. There has been no such meeting for the last two years because of Covid. To refresh memories, this is not a meeting of the parish council and is not to discuss council business. Rather it is a meeting of the parish, but organised and run by the council. It's a chance to hear about and discuss wider village matters, social events, village organisations, ongoing projects and the like. The date will be advertised nearer the time, but it will be in May. If you do have any matters to raise with the parish council then please feel free to attend our normal May meeting on Thursday 24th March at 7:30pm, or indeed any meeting before then.

In the meantime please do keep an eye on the village Facebook page and on our Web site at <http://moulsoford-pc.org.uk>.

EV Chargers in Wallingford

Engineers were due to begin installing electric chargers at the Cattlemarket car park in Wallingford at the end of February. This is part of the Park and Charge Electric Vehicle charging scheme, which proposes a total of up to 62 new charging points in car parks across the South Oxfordshire district. This will allow residents without off-street parking to park overnight and charge up using a 'fast' 7 – 22kw EV charging point as well as providing much needed battery top-ups to commuters and visitors during the daytime.

For more info on the Park and Charge scheme click [here](#).

Council Tax Rebate

You have probably seen the announcement about the measures the Government is taking to help protect households from rising energy costs. Households in England, which are in council tax bands A-D, will receive a £150 rebate. The rebate to bills will be made by local authorities to households from April directly rather than through the Council Tax system. This will not need to be repaid.

On top of this discount, discretionary funding of £144 million will also be provided to support vulnerable people and individuals on low incomes who do not pay Council Tax, or who pay Council Tax for properties in Bands E-H.

Recreation Ground Update

Jo Baker

NEW DATE! Tree Planting Day, Saturday 26th March

Recreation Ground and Pavilion from 10am

Our new community trees have been sheltering over winter in a local garden, even starting to push out some new shoots. It's nearly time to settle them in as hopefully very long-term residents of our Recreation Ground. We will be working with Peter Greathead of PWG Tree Surgery to make sure our trees get the best possible start in their new home.

Do come along and join the team to plant our new trees in the woodland areas. You will be able to find out how best to plant a tree; making sure it's not too shallow, not too deep, but just right. Everyone's welcome; anyone can plant a tree, with a little help if needed - and we have plenty to go round!

Refreshments will be available from the Pavilion after 10.30am thanks to our hardworking Events Committee, to make sure our tree-mendous volunteers are well looked after.

For this event, you will need sturdy footwear and gloves and if you can bring your own spade (border size fine), that would be very helpful.

We've heard that some folks might even have some little trees found as self-seedlings in their own gardens that they'd like to release into the wilds of the Recreation Ground for future generations to enjoy. Please do bring your little trees along; we would especially be interested in local natives likely to do best in our soils, but don't worry if you're not sure, we can check the identities for you on the day.

The day's efforts will contribute to the Queen's Green Canopy national tree planting initiative to celebrate Her Majesty's Platinum Jubilee. We will be uploading details and photos of our trees to the QGC website to add to the national map - which you can already explore at: <https://queensgreencanopy.org>.

And finally...

If you'd like to know more or just want to confirm you're planning to come or have a tree you'd like to offer, please get in touch with Jo Baker at jbaker@moulsford-pc.org.uk. Please watch out on the village Facebook pages for further updates. We're looking forwards to seeing as many people as possible, please do come along if you can!

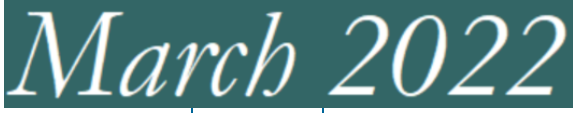

In the absence of a Benefice vicar following Andrew's retirement at the end of January, it is perhaps helpful to let you all know we are able to still maintain a weekly service here in Moultsford. Thanks to the excellent support we have enjoyed from a team of retired priests over the past couple of years, our transition into the unknown has been seamless. We now are working with our colleagues in Cholsey to prepare the necessary documents outlining our aspirations for the future - we have been told to think 5-10 years ahead! - so lots of scope for bold ideas as well as retaining all that is special about our varied patterns of worship and sustaining the church building and churchyard for the future and all those that come after us.

None of this would be possible but for the significant number of members of our community who generously support these activities both with their skills, time and of course financially. So on behalf of St John the Baptist a very big THANK YOU to you all. If you would like to join us for any of these activities /jobs, please get in touch and we will include you on the relevant rota.

In March we move into the season of Lent, a time to prepare ourselves as we look towards Easter. There will be a midweek service of Holy Communion on Wednesday morning beginning at 08:20 (hopefully avoiding school traffic jams) starting on 2nd March. These services last for about 20 minutes and we usually follow these up with breakfast together.

Lent can give us the opportunity to do something different and make a positive contribution to our world. How about getting someone to sponsor you by selecting 10 garments to wear throughout the 6 weeks of Lent? School or work uniforms, underwear and sport/gym clothing are excluded but they will need to be washed hopefully in-between wearing!! Any money raised will go to TearFund which the village supports through its Spring sales and last November's village quiz night.

Monthly Coffee Shop

Gail Slinger

The next **Village Coffee Shop** is on
Wed 9th March 2022 in the **Pavilion** from **10:30am to 12 noon**.

March is all about **Spring, Daffodils and lighter evenings. Hooray!**

What a treat, we have Moultsford Men putting the kettle on this month, **Gary** and **Trevor**. We know they will do a sterling job as I have seen Gary in the kitchen before making great coffee. Looking forward to your lovely treats guys, too.

Please come and support the Moultsford men 'putting the kettle on'.

February Coffee shop was amazing with regard to numbers, we had 30 residents/friends. I received some lovely comments regarding our village hall and how it still looks like new. Big cheer to everyone who plays a part in looking after our hall.

This leads me to say thank you to Bunty and Ursula, you both did a great job; it was Ursula's first time so I hope you will offer again sometime.

We still have plenty of space on our calendar list for 'Putting the Kettle on'.

See you all very soon.

WALLINGFORD COUNTRY MARKET

Have you paid us a visit recently?

Open each Friday morning in St. Mary-le-More Church, (behind the Town Hall), between 9.30am – 12noon.

Our Easter Market will be held on 'Maundy Thursday', 14th April, instead of 'Good Friday'. Orders can be placed for most items we sell, including Easter Cakes, (please place orders for Simnel Cakes a little in advance), and other baked goods.

Also on sale, Handcrafted items, including a variety of unusual bags and small gifts. Colourful pots of spring bulbs, primroses and polyanthus can be found on the Gardening Table. These will give way to the ever popular plants for bedding, baskets and borders during May/June. A lot of what we sell changes with the seasons – you never know what you may find! Do come and see us soon.

New producers for Baking and Plants in particular would be very welcomed.

For further information please contact: Alison Broadbridge (01491-681596), Sandra Halstead (01491-836527) or, come and visit us one Friday morning.

Friday Social Seed Swap

Last month's winter social quite literally brought something new to the Friday Social table - our first Seed Swap. Looked after by Katja Abel, Jo Baker and Moultsford News' own Elli the Gardener, the swap table was covered with a generous selection of packets of seeds of all kinds, with a wide range of vegetables, flowers, herbs and more. Not just there for swappers, anyone interested in picking up something new to try was very welcome to have a look and take a pick. With an assortment that could fill allotments, garden borders or just a pot, there was something for everyone.

We'll be back to do more swapping at the Friday night social on 18th March, so please do bring along your spare seed stash for the swap table and see what you can find to top up your plot, big or small!

Recreation Ground News

A team of volunteers came together on 26th February to carry on the work preparing for March's big tree planting day.

We spread woodchips around under the bigger trees to create some clearings and help protect the trees' roots from compaction. We also started building dead hedging along the boundaries and stacked dead wood piles, all of which will create new habitats and food sources for Rec residents such as hedgehogs and a wide variety of invertebrates. But perhaps the most noticeable change, was that the old cricket net has now been dismantled, ready to be rehomed elsewhere in the village.

A very big thanks to the all volunteers who came along to help!

Our next big planned event will be the Jubilee tree planting on 26th March, but there may be another dead wood work party before this on Saturday 19th. If you're interested in coming along and want to join the mailing list, please let Jo Baker know, and keep an eye on the village Facebook as well.

Elli the Gardener

Gardening diary

Hello!

This month, I have started to plant plants in my bed: onions and broad beans. Onions can be grown from seeds (these are cheaper but need more attention and are slower to grow) or sets (immature bulbs, which are more expensive but grow quicker and are less likely to get diseases). I grew them from sets and here is how I did it - it is really simple! First, I placed them roughly 10 cm apart. Then I pushed them down into the mud with the pointy bit up, until the tip was just peeking out of the soil. I firmed up the soil a bit, watered the soil and that's it!

I placed the broad beans about 20 cm apart, put them on their sides and pushed them 5 cm deep. I covered up the holes, watered them and then they were done too!

The bird feeder blew over and broke in the storm so my sister and my dad fixed it at the weekend.

On Friday at the Pavillion, we brought some seeds to the Seed Swap. There is another Seed Swap next month if you want to come, you can bring the seeds that you don't want and see if there are any new seeds which you don't yet have.

That's it for now, on to the quiz answers.

Answers for the last Quiz

1. Love apple is the original name for a tomato!
2. Aloe vera has soothing properties for things like burns.
3. Deciduous trees are trees which lose their leaves, normally in the autumn.
4. Redwoods are the tallest type of trees in the world.
5. Raspberries like moisture retentive and slightly acidic soil.

Challenge

If anyone uses pesticides, why not try not using them? Use mesh nets around brassicas to stop butterflies laying their eggs, or peppermint oil to deter ants, as mentioned in my first article.

Because the pesticides not only kill the slugs, snails and unwanted insects that eat the pesticides, but also harms the birds and hedgehogs that eat them.

Gardening Tip

If you don't already have one, it's a good idea to get a water buttress or big bucket, because it fills up when it rains and then you don't have to use tap water to water your plants.

Gardening Quiz

1. What is the Latin name for daffodil?
2. What uses does the herb chamomile have?
3. Name a poisonous mushroom.
4. Should you use rainwater or tap water to water cacti?
5. True or false: apricots are in the rose family.
