### **Open Meeting**

The only item was the turbine at Edingley  
3 letters of objection have been received  
Mr Paris pointed out the flyer put up and sent round the village was nothing to do with Halam PC  
The consensus was that the majority were against the turbine

### **Correspondence**

Items circulated to Councillors  
Nottinghamshire Minerals Local Plan  
NALC – new Vice President

All the above no action taken

Rural Housing Policy Review – done previously

Other items  
Electoral Boundaries – from May 2015 we will be included in Southwell Ward with 3 Councillors

### **Planning**

1. Wagon and Horses The Turnpike Halam  
Erection of new external signage and lighting  
Agreed unanimously

2. Field ref no: 8297 Wolfeleyhill Lane Edingley  
The erection of a single wind turbine with a maximum blade tip height of up to 77 meters and associated infrastructure including: upgraded and repairs to existing access track of approximately 1850m length; new access track extension of approximately 205m length; a crane pad(measuring approximately 16m by 20m); and substation  
Rejected unanimously with the added comments

1. blight on the landscape - damage to an area of natural beauty
- 2 loss of amenity of nearby properties
3. damage done to the environment - widening roads etc, - to create access for construction
4. if this turbine is built, it could create a precedent for the erection of further turbines around this site

### **Planning decisions**

1. New Holbeck Farm – approved by NSDC
2. Ashcroft House Gray Lane – approved by NSDC

**Finance**

Village Hall projector – agreed to pay upon receipt of the invoice
