## EDITORIAL POLICY

We are editors (though we don't edit unless we have to) – we are not reporters, so we only write something if we want to. We rely on villagers to contribute news and information and welcome updates from groups, committees and businesses to let the village know what is going on in their area of interest. We are always happy to receive feedback about WIN so please get in touch if you have anything to say.

## DISTRIBUTION

Our aim is to reach every dwelling in the village. Most homes have signed up to receive WIN by email, but for those who haven't, the Parish Council produces paper copies which are delivered by volunteers. If you have received a paper copy of this newsletter but have access to email, please join the email distribution list by contacting [westilsleynews@westilsley.org](mailto:westilsleynews@westilsley.org) – help to save paper and shoe leather!

## PARISH COUNCIL UPDATE

The intent of my messages to the WIN is to summarise Parish Council meetings for those who are interested but are unable to attend the meetings.

The Parish Council held a meeting on the 5<sup>th</sup> September and a range of items were discussed.

Before going into them, I would like to extend my thanks to Fred Carter on behalf of the village. Fred has represented the village on the Patient Participation Group run by the Downland Practice for around 14 years. Thank you Fred. Joe Clerkin has kindly offered to take up the reins and I have already seen messages from Joe seeking feedback from the village.

The Village Hall Management Committee have had many of the village hall windows replaced. This will help with the running costs over the winter months and looks much better aesthetically, a separate project will be initiated to replace the front windows. As a reminder, funding for the completed project came from external grants as well as contributions from the village.

The recurring topic of a Neighborhood Plan was also discussed and whilst it is clear there is limited appetite within the village to create a plan at this time, the Parish Council cannot contribute to a neighborhood plan so either volunteers are required or funding would be required to get external help. The District Council strategy is not clear at this point so I anticipate this is a topic for discussion in the future.

Households who have garden vegetation and obstructions encroaching on the Main Street pavements were also brought up during the meeting. There are areas along Main Street which are difficult to use for mobility scooter users and families with prams. It would be appreciated if everyone could ensure pavements are kept clear for all passersby.

The weed growth along pavements has been reported to West Berkshire Council. It is clear the weeds will damage the pavements if not treated.

Organization of the annual fireworks was also discussed and the Village Hall Management Committee will be coordinating the event along with volunteers. I am sure more details will be publicised nearer the time.

## UPDATE FROM CLLR CAROLYNE CULVER

Dear Residents

Since May I have been chairman of Scrutiny Commission. On 14 September we looked at the council's revenue and capital budget performance. The council is currently trying to save around £6million. We also had a presentation from DCI Evans from Thames Valley Police. The next meeting will be 6.30pm on Wednesday 11 October to review the activities of Thames Water and the Environment Agency. I have received lots of questions from concerned residents, flood forums and organisations that campaign to protect our rivers from sewage. The meeting will be streamed live on [the Council's YouTube channel](#) for residents wanting to follow the meeting as it happens or at their convenience later.

Scrutiny is crucial to the democratic process, allowing residents and opposition and backbench councillors to explore the detail of Council decisions and challenge anything of concern. In an 'executive-led' Council like West Berkshire where power is centralised, the role of the Scrutiny Commission is essential. We have a very lengthy work programme of subjects we want to look at in more detail including foster care provision, why West Berkshire has a poor record of educational achievement for children who have free school meals, and why we have a poor record of helping disabled people find employment. Scrutiny will be holding a series of meetings starting in October to learn lessons from the covid pandemic.

The deadline for Members' Community Bids, whereby WBC match funds parish council and community projects, is 31<sup>st</sup> October. I have been in touch with the parish council about this. If you would like to know more please contact me.

West Berkshire Food Bank provides emergency food to local people.

## **ILSLEY EVERGREENS**

Our Chairman Julia Rockall was recently admitted to hospital in a serious condition, but through the hard work of the staff at the JR in Oxford, Julia is now back at home and recovering well.

As a result of this scare and her ongoing health issues Julia has decided to resign as Chairman of the Evergreens with immediate effect. Julia has been a member since 2005, served on the committee for many years and as Chairman since 2015. I am sure that we all thank her for her many years of service and wish her good health in the future.

Mary Studart as Vice-chairman will assume the role of Chairman until the next AGM in February 2024.

The recent trip to Evesham, a bustling market town beside the river Avon with many interesting historic buildings, was enjoyed in sunshine with just the odd heavy shower and had something for everyone.

The list of the remaining trips for this year are;

Thursday - October 19<sup>th</sup> ~ Gloucester

Thursday - November 30<sup>th</sup> ~ Winchester Christmas Market

Please come along on the trips and support the Evergreens.

Tony Elliott ~ Secretary/Trips Officer

### **THE ILSLEYS NEWSLETTER**

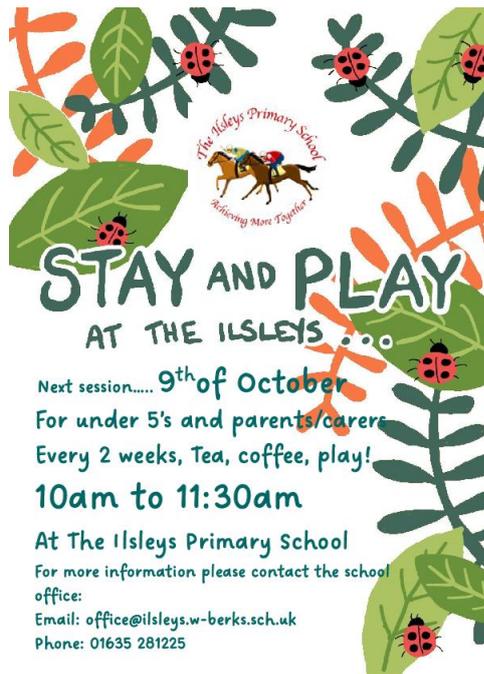

It is a new school year at The Ilsleys Primary School and all the pupils are excited for the year ahead. In the last couple of weeks, we have been experiencing fun and excitement after a long six week break. We have all settled into our new year groups and have been learning about new topics. All the pupils have been working hard and we hope that they will keep up the good work. We are all looking forward to the new year ahead.

You may already know that, on the 16<sup>th</sup>-17<sup>th</sup> of September, it was the Newbury Show. The pupils contributed to the school tent at the show by creating various items to put on display. These included dreamcatchers, poems and drawings of plants, as the theme of the tent this year was nature. We spent most of the Wednesday before the show outside, embracing it; all the children enjoyed making things for the show.

Every two weeks, the school invite young children - whose parents are looking for a school for them- to have a morning with them in Arctic Class. Miss Parsons has been showing them all the advantages of joining The Ilsleys. In a few years the teachers hope that, because of these visits, they will be joining our wonderful school. We hope that they enjoyed the visit

and will be back in two weeks' time. The next session will be on Monday 9<sup>th</sup> October from 10 – 11.30.

Written by 2 Year 6 pupils.
