12:15pm-14:45pm outside house

Smelling on and off all day.

Smelling on and off all day.

Sunday 5th July - trying to do outdoor jobs but cannot as TT stink all day on & off.

15:35pm Outside house

Complaint about odour from above. Trying to do jobs outdoors but cannot due to bad odour. See attached email.

Strong odour all day

Strong odour all day again, raw pig poo smell.

12:30pm I thought I would venture out into the garden to tidy up following the heavy rain and wind we have suffered recently. Unfortunately, this was impossible due to the suffocating p

Complaint about odour from above. Please see extensive email attached.

Strong odour bottom of Manor Close. See attached extensive email.

Nice to wake up to a stinking house again. Tunnel Tech obviously venting their filthy stench early this morning so it came straight over to us. 2 complaints.

6.35 AM SUNDAY MORNING AND MY HOUSE IS ABSOLUTELY FULL OF DISGUSTING PUTRID ODOUR AGAIN!!!!

Another morning unable to have my windows open due to odour

13th July - Vile filthy TT stink from early morning, still a stench at 2pm stopping my family enjoying a daily walk

Tunnel stench absolutely stinking. Absolutely rank. Fed up with this and your lack of interest/concern/actions. You should be doing your job and prosecuting TT but you won't.

Thursday 16th July - trying to enjoy some gardening but cannot because vile TT stench late afternoon for several hours. 3 complaints

Tunnel Tech stinking again at 08.00. Opened my window&had to close it again immediately.

Sat in my living room this morning&the emissions from tunnel tech this morning are so strong they are affecting my nose&tongue.THIS IS MY HOUSE, THIS IS WHERE I SHOULD FEEL

Permit breach again but so it is 24 hours of every day and BDC do nothing and have done nothing for 20 years. What a record for a LA which is and has been in dereliction of its duty for

Friday 17th July - horrendous TT stink this morning for several hours stopping any outdoor activity whatsoever. Obviously BDC doing their usual...turning a blind eye to residents suffering

3rd complaint today 17th July. Thinking the stink had subsided I ventured outside to sit in my garden around 6.30pm, silly me after a few moments I should have known better...the stink

What do I say? How can I complain in a way that will actually get some response? My house is absolutely full of odour again as it has been for most of the day.

All day Friday the 17th of July 2020 the stench from the above named company was all over the village of Misson.

Odour bad in the late afternoon. obnoxious. said it was a 7/10

Saturday 18th July - the most horrendous TT stench from early morning, so difficult to breath properly...still stinking at 3pm.

We've had almost no respite today from the awful stench coming from Tunnel Tech. Can you have any idea of the despair we feel day after day?

Yet again we have the vile stench from TTN permeating and no doubt other parts of the village. One wonders if you are disgusted at only being the 2nd smelliest district in GB.

Similarly this morning, Saturday 18th July 2020 the stench is very high and house windows have had to be closed again

Odour bad this morning dont usually get it at this time of day (10.22am) . obnoxious. said it was a 7/10

Odour foul today, cannot have doors open. See attached email.

Stench is foul again today, see attached email. Have to close all their windows and doors.

See attached email regarding the bad odour from above.

See attached - Obnoxious stench from above.

See attached - Odour

See attached - Stench so bad had to keep windows closed etc

Stench is foul again today, see attached email. Have to close all their windows and doors.

See attached email regarding the foul smell from the above affecting residents lives.

TT stink on & off all day but vile driving home past site at 9.45pm, stench drifting in to village

TT stink on/off all day.

To not be able to go out and garden, to have to have doors and windows closed all the time. To feel physically sick when the odour is really strong. To have your eyes and nose stinging

Foul stench from TTN today as they are allowed to breach their permit yet again. When oh when are we going to see some action from BDC or our MP to put a stop to this madness.

vile horrendous TT stench from early morning wafting all over the village, again having to keep windows closed. Whether they are poisonous fumes or not, this vile pollution has a serious

To not be able to go out and garden, to have to have doors and windows closed all the time. To feel physically sick when the odour is really strong. To have your eyes and nose stinging

Awful stink from Tunnel Tech today - all morning

See attached email regarding the odour from the above.

TT smelt this afternoon 6/7 out of 10. it was certainly noticeable. smelt at her house/street.

See attached email regarding the odour from the above.

It's oppressively hot (still) but we've had to shut the windows against the inevitable pong from TT following heavy rain. It's due to remain at 23°C overnight. Another wonderful airless sleep

ns effect on people including nausea, sore throat, coughing fits...
