PLANNING		Cllr Clayton	
Discussion	<p>The latest information showed that the only site in Nonington that was going forward to the Local Development Plan was the Prima site. This site had inherent problems which were highlighted last year with drainage, land contamination, type of development and historical architectural features.</p>		
	<p>Further discussion was held regarding the HELAA and the impact further development, particularly in Aylesham, would have on the traffic volumes through Nonington. A flier was being produced which would be delivered to all residents in the village outlining the issues and asking that, if they objected, to write to KCC, DDC and Natalie Elphicke MP with their comments. Kent Association of Local Councils (KALC) were also objecting on the behalf of councils in Kent to the proposed changes to planning laws which would remove the majority of powers of Local and District councils to object to proposed developments.</p>		
	<p>See the dedicated website page for information on the Housing and Land Availability Assessment (HELAA)</p> <p><a href="https://www.hugofox.com/community/nonington-parish-council-15998/helaa/">https://www.hugofox.com/community/nonington-parish-council-15998/helaa/</a></p>		
Action Items		Person Responsible	Deadline

PLAYGROUND AND POND	Cllr Tee		
Discussion	<p>The work to replace the wooden steps should be completed before Christmas.</p> <p>The electricity cabling was not an issue at the moment because there was no power on. However, work was expected to commence after Christmas</p> <p>A new swing seat was required because the original was now cracking and could be a hazard.</p>		
Action Items		Person Responsible	Deadline
Order new swing seat		Clerk Cllr Tee	6 <sup>th</sup> January
Fix electric cabling issues			

# minutes

TRAFFIC GROUP	Cllr Tee		
Discussion	<p>Cllr Tee said that he had identified locations in Nonington where the 4 speed strips could be placed, cost born by KCC. These would gather data for future plans to slow down traffic. These locations would be confirmed after KCC Highways visited and confirmed. It was decided that, if necessary, another speed strip could be purchased by the Parish Council to enhance data collection. Any surveys would have to be undertaken after lockdown to make the data representative.</p> <p>Cllr Tee asked Speedwatch to stop any work once the strips were in place so that data would not be compromised by their presence.</p> <p>It was also suggested that we investigate the possible purchase of an air quality monitor to ascertain what issues we have through the village.</p> <p>A camera had been identified by Cllr Tee and the Clerk would order one, if suitable, at a cost of about £190.</p> <p><a href="https://www.hugofox.com/community/nonington-parish-council-15998/highways-improvement-plan-draft/">https://www.hugofox.com/community/nonington-parish-council-15998/highways-improvement-plan-draft/</a></p>		
Action Items	Person Responsible	Deadline	
Investigate and purchase new camera	Clerk	6 <sup>th</sup> January	
Investigate air quality monitors	Cllr Clayton		

PUBLIC INPUT AND OTHER BUSINESS			
Discussion	<p>The latest Public Space Protection Order (PSPO) was due for renewal and it was agreed that the pond and playing field should be added to the areas where no dogs are allowed.</p> <p>The Christmas tree supplied by NVE would be planted on 6th December near the decking by the pond. Cllr Plumtre would investigate planting a permanent tree near the decking. This would be a permanent tree so that no further trees would need purchasing.</p> <p>A parishioner brought up the subject of the graffiti on Church House. Cllr Plumtre said she would contact the users about that and the state of the plot in general.</p> <p>Any problems e.g. drains, flytipping, potholes etc. can be reported on the following KCC website.</p> <p><a href="https://www.kent.gov.uk/roads-and-travel/report-a-problem">https://www.kent.gov.uk/roads-and-travel/report-a-problem</a></p>		
Action Items	Person Responsible	Deadline	
PSPO additional areas added	Clerk	6 <sup>th</sup> January	
Christmas tree planting Church House renovation	Cllr Plumtre
