Community Asset Fund - Nether Wallop Playing Fields refurbishment

Dear Gail,

Thank you for your recent application.

Following the meeting of the Community Asset Fund grants panel, I am pleased to confirm that your grant application has been successful and an award to Nether Wallop Parish Council for 50% of the costs of the project, up to a total of **£25,000.00** has been agreed.

Once invoice(s) are available please email them to me and I will arrange payment of 50% of each invoice up to the value awarded. If you have any problems please contact me, or alternatively send me a hard copy of the invoice.

It is the Council's policy to allow two years in which organisations can claim grants awarded to them for a particular project. If the grant has not been claimed within two years and no request has been made for an extension, the offer of a grant will be withdrawn.

The following conditions are placed on the grant;

Number	Condition
1	That a representative of the Council is invited to any event, activity or launch occasion and a joint press release is devised.
2	The Test Valley Borough Council logo is included on all related publicity and advertising material and our support is acknowledged in your annual accounts. Please find attached the link to the electronic version of the logo and guidance: http://www.testvalley.gov.uk/aboutyourcouncil/mediacentre/corporateidentity/
3	That this project is only completed once all the necessary regulations and permissions for all elements of the work are granted and the project adheres to all required standards throughout its completion.

Yours sincerely,

Jenny Brain
Community Engagement Officer
