

I Can't Help It

Written and recorded by Hank Williams

D7 G D7 G
Today I passed you on the street

G7 C G
And my heart fell at your feet

D7 G
I Can't Help It If I'm Still In Love With You

D7 G D7 G
Somebody else stood by your side

G7 C G
And he looked so satisfied

D7 G G7
I Can't Help It If I'm Still In Love With You

C G
A picture from the past came slowly stealing

D7 G G7
As I brushed your arm and walked so close to you

C G
Then suddenly I got that old time feeling

D7 G
I Can't Help It If I'm Still In Love With You

repeat #1

G7 C G
It's hard to know another's lips will kiss you

D7 G G7
And hold you just the way I used to do

C G
Oh heaven only knows how much I miss you

D7 G
I Can't Help It If I'm Still In Love With You
