

Housing

How can we make the Parish a better place to live?

Is there a type of housing that is lacking in the Parish for which there is a need?

What, if any, additional housing do you think is needed in the Parish?

If additional housing is needed, where should this be?

What do we need to do to make the Parish a better place in which to live?

Countryside and Landscape

Which aspects of our countryside and landscape do you value?

How can we improve our Countryside and Landscape?
What opportunities exist in the area?

What do we need to do to make the Parish a better place in which to live?

Community Facilities and Parish Amenities

What can we improve or change?

What do we need?

What opportunities exist in the area?

What do we need to do to make the Parish a better place in which to live?

What facilities do you use and value?

Learning in the Parish

What do we need to do to make the Parish a better place in which to grow?

What concerns do you have about the existing learning provision within the Parish?

What other opportunities for learning exist in the area?
Tell us how you would like to see learning in the Parish in 2031?

Infrastructure, Employment and Business

What levels of employment or business opportunities should be available in our Parish?

What could be done to improve access to employment hubs or business centres?

What infrastructure improvements could be made to better support local businesses?

What do we need to do to ensure the Parish continues to thrive?

Our Adjacent Parishes

What do we need from adjacent parishes?

What can we provide to adjacent parishes?

What opportunities exist to cooperate and coordinate development with our neighbouring parishes?

How should the Parish develop in relation to our neighbours?

What are your hopes or fears about development in relation to our neighbouring parishes?

Design (meaning the style in which any buildings are formed; the pattern which the buildings themselves form on land; street furniture e.g. bins, road signs, etc.)

What features of design do you value in the Parish?

What do you think of the design and frequency of the street furniture in the Parish?

What features of design in the Parish would you like to change?

How would you like to see the Parish develop in the next 15 years?

Transport

What are the major traffic issues in your locality?

How could the parking provisions be improved?

What transport links would you like to see?

How could the network of footpaths and bridle paths be improved?

What improvements would you like to see applied to our roads?

History & Heritage

What aspects of the Parish's history and heritage do you want to conserve?

What attention should we give to archaeological evidence of our prehistory, to our listed buildings and to our industrial and agricultural heritage in considering new development?

How can we better protect the Parish's historic buildings?

How can we improve the conservation of our heritage?

How can we best ensure that new development respects and enhances what our forebears have passed down to us in the Parish?

Sport and Recreation

Various facilities and locations within the parish are used for sport and recreation activities, such as the town and village halls, the scout hut, the school and open spaces such as the lawn. What additional or improved facilities are required?

What additional activities do you think are required?

How could we develop the network of footpaths, bridleways and other recreational spaces in the parish?
