IF! IF! IF! I expect you are all doing the permutations ? What a finish in store in both divisions ! 3 contenders in Div1, Taunton Deane A

North Petherton A and Taunton A. Only 2 points between the top two with Taunton the front runners until 2 weeks ago now in 3<sup>rd</sup> place 5 points adrift but by no means out of it. North Petherton take on bottom club Burnham and we all know what usually happens in WSBL in such situations.

The Deane hung on to top spot but only just with a draw at Minehead letting N Petherton A close the gap to 2 points..

In Div 2 couldn't be closer. The top two play each other and the score will decide whether the Deane or Bridgwater or Eastover are winners or runners up and who gets promoted depending of course how Eastover fare at Minehead. Also a unique chance for the Deane to win both the leagues what an achievement if they do. Good luck to every one on this last evening this season. Alan Wood League Secretary.
