## Minutes of Parish Council Meeting

Held on 14<sup>th</sup> September 2020 at the Memorial Hall, Hedgerley

In attendance – Cllr Thomas Broom (Chairman)(TB), Cllr Derek Baker (DB), Cllr Maurice Ridgeley(MER), Cllr Neil Coxhead (NC)

### 1. County Council Matters

Community Boards

Waiting for response regarding attending.

### 2. Clerk's Information items

Defibrillator – news

NC found 'adopt a phone box' online. I've completed the contract and proposal is:  
Adopt the phone booth from BT at a cost of £1 inc. VAT. per BT's 'Adopt A Kiosk' scheme  
BT decommissions the phone, leaving electric supply.  
HPC installs the defibrillator in the phone booth.  
HPC takes on the upkeep and maintenance of the kiosk.  
BT pays for the ongoing electric charges. (not HPC).

-----

I've been in touch with Bert who did the initial inspection last year and he is ok to do the installation for us.

### 5. Property

**Play area** - MER noticed that the soft pour surface was separating along one side. Sutcliffe were in touch with me earlier this week and said they would be coming over to see what could be done.

Also MER noticed that the 'back' gate was not closing, so I asked them to deal with that at the same time.

**Church Holt** After the very bad rain storms a few weeks ago, things didn't seem to have alleviated the problem of debris coming down the Holt. DE has just been on to say that the contractor was up there at the moment (he had been previously to see what could be done to improve things). DE missed him, but I will speak to him hopefully this evening to see what's been decided.

**Coppice Way Fence** The fence was completely replaced last month; residents have had their painting session on the new fence.

**Church Meadow fencing** Spoke with the contractor yesterday and the aim to do the work in two week's time.

**Kemsley Wood holly mulching** Not heard back on this at the moment

6. **Slade Farm**

Have had a complaint that two trucks have been parking in the layby, seemingly overnight. DE sent me the photos which he was sent by a resident. He had also seen the vehicles parked up early. Looking at the photos, it seems like the layby at the other end of the Lane near where the groundworks were carried out in that gateway. I'll check with Slade Farm anyway.

7. **Meetings – nothing to report**

8. **Date of next meeting – Monday October 12<sup>th</sup> 2020**
