

## *Devon County Indoor Bowls Association*

I am writing this note as an addition to the annual meeting agenda and the fixtures schedule.

For the first time ever, some matches are over subscribed due to your stirring efforts.

Therefore, adjustments have had to be made to accommodate a fair allocation of fixtures. I understand that some of you may be disappointed, but I have endeavoured to be as fair as I can.

I am aware that some adjustments may have to be implemented, but we can ensure that the final schedule is fixed on the 26th. Please bear in mind that the invitation matches have yet to be selected, but are in hand. Please ensure that the matches that are allocated have a proper commitment from each club to fulfill that fixture. We can't tolerate the situation that arose in the last season with clubs withdrawing, sometimes with only days notice.

In regard to the meeting on the 26th, it is absolutely essential that all VPs Representatives attend the meeting or if that is impossible for them then a suitable deputy from that club attends. The reason is that when we get to the item regarding the future of the Vice Presidents Association, each representative will be asked directly and individually whether their club can carry on supporting the existence of the association in its present form. It will be a tough but necessary choice and should be considered carefully before the meeting. Be under no illusions or, the future of the VPs is at stake!! Please feel free to contact me prior to the meeting if there is any point you may wish to consider.

Mousa is arranging for sandwiches and crisps to be available at a cost of £2 per sandwich. These will only be available to those that have contacted Mousa on 01392 495362 and preordered their sandwich (s), by the 20th August. The sandwiches will be available at 1-00pm on the day. He intends to offer a choice of Ham, Tuna and Egg Mayonnaise.

I look forward to seeing you all on the day

Very Best Regards  
Ken Brenchley  
DCIBA Vice Presidents.
