

# West Ilsley News

October 2000

Lots of activities being lined up for the Winter have resulted in a much bigger edition than we expected for this month. We're planning to issue a "who to contact guide" along with the December or January edition, based on the information items which have appeared over the last few months, and then issue only updates and changes in the monthly WIN. Please let us know if there are changes to those details previously published, and also any contacts or items of information which haven't already appeared and you think should do so. All ideas welcome.

## MILLENNIUM COMMITTEE

Chairman

The Millennium Committee is delighted to announce that the final go-ahead for the Millennium Gazebo project has been given and work will commence as quickly as possible. It is hoped that we can make this an attractive focal point of the village with horse trough, paving, turfing, etc.

The Gazebo itself will incorporate three benches and orientation table. We have already received an interest in a donation to dedicate one of the benches to a parish family. If anyone would like to do the same for either of the remaining benches, please contact Avice Morris on 281341. It is also intended to mount a plaque on the Gazebo in memory of Michael Brown who initiated the enthusiasm for the village Millennium projects.

## PRAM SERVICE

## PARISH COUNCIL

Linda Gibson (Clerk)

The Parish Council met on Monday 11<sup>th</sup> September with a full Council and two members of the public.

Millennium Gazebo GOOD NEWS. After several letters and discussions with West Berks Highways, the Gazebo should soon be under way at last!

Best Kept Village West Ilsley was once again placed 7<sup>th</sup> with a score of 66.7%. Stockcross were top scorers with 81.8% (See separate report from The Organiser). One of the criticisms from the Judges was the poor condition of The War Memorial in the churchyard! Does anyone know of a stonemason who would be interested in giving it a facelift, or perhaps someone can remember who repaired it some years ago after the storm damage. If you can help, please

Speak to a one of the P.C. members or contact me on 200242.

Grain Dryer Noise The noise control centre has written to the PCC reporting that the recent noise limiting work had resulted in a noise reduction of between 5 and 10 decibels. Thanks go to the Carlisle's for their attention to this matter.

### TREASURE HUNT

Very many thanks to Colin Sheppard and Chris Allen-Jones for their clues: a great deal of thought and hard work had gone into the planning. It was a challenging route to say the least and our car didn't finish until dusk, causing a certain amount of bemusement at Catmore, with clues being searched for in vain by the light of a (very pathetic) key-hole torch. Sadly, there were very few takers, partly due I'm sure to the impending fuel shortage but those who did join in seemed to enjoy themselves. Only £40 was made for church funds so hopefully the quiz night will be better supported. The only fuel needed then will be available from behind the bar and we'll not run out of that!

### QUIZ NIGHT – 3<sup>rd</sup> November

Start getting your teams together and mugging up on ... As before, a prize to the silliest team name and heaps of glory to the winners! £5.00 per team (maximum of 4).

## WEST ILSLEY FIREWORKS Sunday 5th November

(next field but one to the pond)

Bonfire at 6.30pm (Guys needed!)  
Fireworks at 7.00pm

The Cricket Club Bar will be open

A village organisation is needed to run the BBQ - it is a great way to raise money! Please contact Jo Gore on 281618.

### FOR SALE

## ILSLEY UNDER FIVES

### Halloween Party

Due to the roaring success of the last Halloween Party organised by the Millennium Committee, the Ilsley Under Fives have decided to host their own Halloween

Party this year to raise funds for both the Toddler Group and the Playgroup.

This is to be held in the West Ilsley Village Hall on Saturday 28<sup>th</sup> October, 2000 from 8pm to Midnight. Tickets are priced at £6.00 and include a Light Supper and Disco. There will be a Pay Bar.

If you would like tickets for the party please contact either Jill Brophy (281672) or Alison Banks (281705) as soon as possible.

### Toddler Group

The Group is for Parent/Carer and baby and/or toddlers up to school age. It is held in the Village Hall on a Wednesday morning from 10.00am to 11.30am during which the adults get to drink tea/coffee and have a good old chat while the children play, hopefully with each other, without too much squabbling. This is followed by juice and a biscuit or two and then Song Time. New faces are very welcome.

### Play Group

The playgroup is held in the Main Hall in the Ilsleys Primary School on Wednesday and Thursday afternoons from 1.25pm until 3.30pm during the school terms. If you are interested in your child attending the playgroup or would like to see it for yourself please call either Jill Brophy on 281672 or Julia (Playgroup Leader) on 281357 for an application form or to arrange a visit.

### Pampers 'Flowering Tots' Scheme

Pampers are currently offering a fantastic collection of toys in exchange for points collected. We can collect points by saving our Till receipts with any Pampers products on them. They will give us 1 point for every £1 spent and have generously started the point collection with 50 Bonus Points! This means we can, hopefully, get some new toys for the Toddler Group and the Playgroup.

So any of you using Pampers products (Nappies/Wipes/Care Mats) **PLEASE** save your receipts and either pop them in to me at 5 The Maltings, West Ilsley or give me a call and I will collect them. Thank you for your support.

## WEST ILSLEY CRICKET CLUB

Dick Beech

The club AGM will be held on Sunday 29<sup>th</sup> October at 7 pm in the Cricket Pavillion. All are welcome.

## NATURE NOTES

### Hedgerow harvest

Despite the non-appearance of summer this year, autumn beckons and our hedgerows are loaded with berries, hips and other fruits. Their bold colours contrast beautifully with the changing colours of leaves. These and many other fruits help to keep some of our native birds going through the winter. We too can use some of this hedgerow harvest to warm the cockles of our collective hearts in the depths of winter by the time-honoured remedy of Sloe Gin.

Many different recipes exist for this, but most are based on three simple ingredients – sloes, sugar and

gin. Sloes are found in the hedgerows around West Ilsley and are the berry fruits of the blackthorn bush which is related to the domestic plum.

Sloe gin

Ingredients:

225g (8oz) Sloes

125g (4oz) Sugar

375ml (13 fl oz) Gin

Procedure:

Rinse and prick each sloe about 10 times and place in a suitably-sized container. Add the sugar, cover or seal the container and mix the contents. Repeat the mixing stage every day for 10 days. Then add the gin and stir the contents. Leave for a month or two until a deep red colour is achieved. Remove the sloes by straining and allow the sloe gin to mature for at least another month in a stoppered bottle.

## BEST KEPT VILLAGE COMPETITION

Mel Cook

This year West Ilsley scored 80 marks out of a possible 120 (66.7%), placing us 7th in the 'Small Village' category. This is unfortunately the same position as last year – but at least we are consistent! Stockcross was first with 81.8%.

The Judges comments are reported below (without any editing):

- The churchyard was generally well kept and cared for especially areas of old graves.
- Village Hall building looked very good but there was litter at the side and back including a long dead rabbit opposite the fire exit and discarded furniture at the rear
- The War Memorial appears to need some maintenance, cement patching cracked and crumbling and many inscriptions difficult to read and also some litter
- Playing fields excellent and well maintained. The Pavillion looked very good and well used, a pity so much litter had been left on the ground in front, also beer canister store area would be improved if screened.
- Pub was bright, welcoming, and clearly popular, clean and safe outside.
- The village was well kept, clean and tidy and enhance by the features judged
- In general the aims of the competition appear to have been met. Some of the features could have been improved by simple good housekeeping measures.

A pretty good report all round and perhaps the most important comment made by the judges was that they considered the village to be well kept, clean and tidy.

Thank you to all those concerned.

## WEST ILSLEY RECREATION AND SOCIAL ASSOCIATION

Advance notice of two forthcoming events:
