### Public Comments;

A member of the Public asked how the decision for the New Inn Lane Housing Application had been determined and what actions the Planning Working Group played in that decision.

The Chairman stated the objectives of the Planning Working Group PWG. Where/when appropriate the working group look at the applications and reach a position, where there is no full meeting that position is circulated to all councillors to give the opportunity for comment, challenge or agreement. A position statement is then provided which is returned to MHDC via normal channels. This is then the Parish Councils response. Where a meeting is available this happens at the meeting rather than by email.
