Milner Road Bus Shelter Damage

Following the report in the March edition of the Community Magazine, the bus shelter on Milner Road has been damaged further. In total 5 panes of glass have been smashed. The glass shatters all over the highway and has to be urgently cleared up before someone is hurt, or a vehicle is damaged. This is unacceptable. If you have any information about who is breaking the glass, we urge you to come forward. If you see that damage has occurred please email the PC on the details below.

Litter Picking

There are unsung heroes throughout the Parish who regularly collect litter while out and about. Stuart the handyman, collects litter from the green spaces and recently litter picked all the alleyways. The Parish Council would like to thank everyone who does this onerous task without any thanks. As the weather starts to improve into Spring and Summer, we would ask everyone to do their bit to keep your community litter free.
