

PARISH BENCH DAY

24 APRIL 2021

Parish Councillors gave benches in the Parish a wash and brush-up ready for summer visitors. Benches were scrubbed and strimmed around to provide a more pleasant place to sit and enjoy the views of the Parish.

To commemorate life-long resident Nancy Thompson a plaque was placed on the bench at Cut Throat Lane.

‘She loved this view’

Meanwhile parishioers were out busily tidying up and cleaning other areas.

Litter was picked

The garden was gardened

Railings and street names were washed

Phone boxes were brushed and buffed up

Gutters were weeded and brushed

Planters were positioned

Daffs were dead-headed

Many thanks to all those who did their bit
