

Ellerton & Aughton Village Hall

HEALTH & SAFETY NOTICE

Our Health and Safety file is positioned in the entrance hall; this includes our Health & Safety policy and Accident Book.

We encourage all hall users to familiarise themselves with this folder.

**There is a First Aid kit for use in the hall and grounds.
Regular users/clubs should also provide their own First Aid kit.**

It is important that all users of the Hall make themselves aware of the emergency procedure in the event of a fire.

There are notices placed in the hall and in the Health and Safety file.
