GRANT AWARDING POLICY

Battle Town Council sets aside a sum of money each year to be awarded in grants to organisations for projects that will be of benefit to the residents of our Parish. This policy document has been drawn up to demonstrate a fair and transparent process for grant awards.

The Council can only award grants using certain legal powers; specific powers allow the Council to provide funding for specific activities or projects which Members feel will be of benefit to the Battle Town Council area, including Netherfield, e.g. grants to a sport club, for a music festival or towards community celebrations of special events. Where no other power is available, the Council may decide to use its power under Section 137 of the Local Government Act 1972, to award a grant where it feels that to do so will benefit **some or all of its residents or some or all of the area**.

To qualify for a grant, an organisation must first complete a grant application form and submit it to the Town Clerk. The applicant must be able to demonstrate that any funding provided by the Town Council will be of benefit to the Town Council Area, including Netherfield, or its inhabitants. The Town Council will not normally make grants to organisations outside of the Town Council area unless it can be demonstrated that there are direct benefits to the Council's area. **Applications should be for 'one-off' grants which will not result in recurring expenditure to the Town Council.**

Other factors that the Town Council will take into account when considering a grant application include;

- Whether the Town Council has the power to make this grant.
- Whether the applicant has demonstrated some degree of fundraising on a "self-help" basis.
- Whether the applicant has applied to other bodies for funding for the same project.

The Town Council will consider grant applications twice yearly by the Finance and General Purposes Committee meetings in July and January. Applications will need to have been received by the Council at least 14 days prior to this meeting to be considered. Grants for amounts in excess of £1,000 can only be awarded by resolution of the Full Council, who will make their decision based on the recommendation of the Finance and General Purposes Committee.

From time to time Battle Town Council may decide to invite grant applications for projects that are guided by the specific objectives of the Council's Committees.

Procedure

1. Grant requests must be supported by a completed Battle Town Council Grant Application Form.
2. Completed application forms and any supporting documentation should be returned to the Town Clerk at Battle Town Council, The Almonry, High Street, Battle, East Sussex, TN33 0EA.

3. The Town Council would welcome a representative at the relevant meeting to answer any questions which may arise whilst the grant is being considered.
4. If successful, the grant is made in a single payment.
5. After the grant has been awarded, the Town Council requires feedback in the form of a statement of how the money was used, **no later than two months after the grant has been awarded.** Participants will be invited to attend the Parish Assembly the following year to **give details of how** the grant award has been used for the benefit of residents of the Town Council area.

The benefit to the area or inhabitants must be commensurate with the expenditure.
6. Groups from outside the Town Council area who can demonstrate direct benefit to the area are eligible to apply.
7. The Town Council will take into account any previous grant made to an organisation or group when considering a new application.

11. All grant recipients are required to provide the Town Council with a brief report, including photographs where appropriate, of how the grant has been utilised, how it has assisted the organisation or group and what it has achieved.
