Children from Wilstead School year 3 bowled with us on Thursday afternoons during November and all improved considerably over the weeks.

Thanks to all the short mat helpers

Thanks go to all who have supported the club during our 40th Celebration Year. Thanks especially go to those who have helped stage all the extra events this year, maintained the green and the building and carried out other jobs that go on behind the scenes.

Could those who at the moment only come to the club to bowls think about giving some of their time and volunteers for the many jobs that need doing to keep our club running efficiently.

HAPPY NEW YEAR TO ALL
