**Rural Bus Survey** At the moment, Bucks County Council is in the process of reviewing views on rural bus routes until 20 July on the Bucks County Council website. We would like as many residents as possible to provide their views. We'll review all the survey feedback this summer, and later in 2018 we'll carry out a consultation on any proposed changes. Comments can be made by email to our Public Transport Team on [passtrans@buckscc.gov.uk](mailto:passtrans@buckscc.gov.uk) or by phoning 01296 382416.

**Brownlow Bridge Damage and Closure** - The Canal and River Trust have confirmed that the Brownlow Bridge near Ivinghoe is still no longer safe for use, by cars, cyclists or pedestrians, necessitating a full closure for a period of approximately three months. Transport for Bucks are also due to replace the traffic lights on the bridge, and so diversions will be in place throughout this period, as detailed below:

The B488 Horton Road, Ivinghoe will be closed to traffic from 24 July. which commences between junction with Station Road, Cheddington and junction with Church Road, Ivinghoe.

The alternative route for vehicles affected by the closure will be via Horton Road, Great Gap, Station Road, Church Road, Tring Road, Dunstable Road, Leighton Road, Church End, Billington Road, Leighton Buzzard Bypass.

The closure is required whilst Transport for Buckinghamshire works take place and it is anticipated that the works will commence on 24 July 2018 and will take approximately 39 days between 00:00 and 23:59 each day to complete. This is a 24-hourly closure.

The Order will come into operation on 24 July 2018 when the appropriate signs are lawfully displayed and will continue for a period not exceeding eighteen months or until the said works have been completed whichever is the earlier.

Residents please do NOT remove any diversion signs which TfB have put in place, as we have had reports of this happening. This is against the law and extremely dangerous.
