

Moulsford Events

Nigel Baker

By the time you're reading this, the Friday Socials will be behind us as we head into autumn and winter. Looking back, after a challenging start, there have been some lovely summer Friday night socials, with much laughter, camaraderie and a great deal of wonderful village spirit.

A very big thank you to the Events Committee team, who have worked with a lot of commitment and endeavour to make sure the beer is fresh, the wine is chilled and it all runs just so. Thanks also to all the volunteers, who have helped run the bar; as they say many hands make light work. It's not goodbye to all events though; a varied season awaits to take us through to Fridays again next year.

We do our very best to ensure Events are much discussed, well planned and run smoothly. However sometimes things are out of our control. This year our scouts have reported a serious lack of surplus apples in village orchards, hence with regret we have decided to cancel Apple Day (October 23rd).

But, excellent news elsewhere: Christmas Gala Night is back! This will be on Friday 17th December, held at Moulsford Prep, from 7pm. Time to dress up: it will be a black tie, evening wear do, with a sit down meal, raffle and a DJ, all for £40.

Tickets are expected to be in high demand, so please contact Babs at barbara.leslie@hotmail.co.uk to get yours.

Christmas celebrations will continue with the Christmas family service at Moulsford Church, 5pm Wednesday December 22nd, to be followed by the village Christmas social from 6pm at the Pavilion. All will be very welcome.

And it does not stop there; you can burn off the Christmas dinner with the traditional Village Boxing day walk to the Bell, Aldworth. The precise route is TBC, but we anticipate a 10am start.

You don't have to wait until December for some events fun though. We have a Village Quiz night on Saturday 20th November, 7.30 for 8pm. Places are £8.00 each with a ploughman's supper (please bring your own booze, snacks etc.). To book your team's space, please call Twinks 01491 651548. For a very different event, we are working with the Parish Council to arrange a community tree planting event at the Rec on Saturday 13th November, from about 9.30am onwards. More details below; get your spades and wellies ready...

So, it's good-bye summer, and thanks again to everyone who's helped get things back up and running and to everyone who's come along. We look forward to seeing as many of you as possible over the autumn and winter; as ever keep an eye on Moulsford News, Facebook etc. for updates. Stay safe and hope to see you soon!

Last month MPC advertised a casual vacancy on the council. Having co-opted Moultsford resident Martin Eagle, we are pleased that vacancy is now filled. Martin became very involved with the village objections to the planning applications for sports lighting lodged by Cranford House last year; we were grateful for his considered input at council meetings and look forward to working with him for the remaining time of our office.

In September, the editorship of Moultsford News passed into new hands; our thanks to Katja Abel for taking on this important role for Moultsford. Many of us know Katja from the Events Committee and happily she is continuing with that too – rather like her predecessor Bernie Sachse who was also very generous with her time and efforts on behalf of our village since 2009 when she moved here.

However, since upping sticks late 2020 to live just down the road in Goring, Bernie has gently loosened the reins on her attachment to Moultsford, culminating in her resignation from Moultsford Parish Council in mid-Sept 2021. We're sorry to see her move on, her commitment and enthusiasm are second to none and we thank her for her many roles in the village, whilst ruefully congratulating Goring on their luck at gaining such a super-volunteer!

The Parish Clerk has notified SODC of a casual vacancy on MPC and placed a notice on our village notice board, Website and social media. Should there be no requirement for an election we will consider co-option again, but we remain quorate in the meantime.

Parking and access in Moultsford is a perennial issue; we're a rural village without reasonable public transport. OCC Highways have recently visited Ferry Lane to advise how best to relieve the issues affecting residents there. We will be following their advice to take a measured approach so we don't force car parking onto other areas of the village creating even more problems.

The Pavilion Management Committee have had quite a time over the last 18 months keeping on top of changing rules in the fight against the pandemic, being thoroughly supportive of our Events Committee who naturally wanted to get back into action as soon as possible. It's not been easy!

At its last meeting, the parish council were delighted to hear that Pavilion bookings are bouncing back with a full and varied schedule. Since coming out of lockdown the pavilion has hosted parties and celebrations, wakes, yoga classes, sports TV screenings, practitioner courses, auditions/rehearsals and sales to name but a few.

Advance bookings are set to be even more varied with, as well as more of the above, a filming day, first aid courses, craft spinning classes, tea dances, boxing classes (as we welcome back Nixercise) and a meeting of the river users' group.

As usual, dates for our MPC meetings are at the back of this newsletter, we hope you will join us from time to time!

Thames Path Signpost

National Trails have recently reviewed the Thames Path signage as the path had become less obvious to visitors to the area. The newly installed signpost just by the Willow Tree on the highway at the B&W is not easy to miss! Possibly a little misleading on the direction of the path, nevertheless it does indicate it is there, somewhere!

Dark Skies Festival

On a subject close to the heart of Moulsoford village, you may be interested in the inaugural Marlborough Dark Skies Festival: <https://www.marlborough-tc.gov.uk/darkskiesfest> which runs from 25th to 31st October 2021. It's varied and extensive, featuring stargazing, storytelling, exhibitions, talks – really something for everybody. And it's on at half-term!

Mend the Gap

Anyone wondering whatever happened since the local furore in 2015 around Network Rail's environmentally insensitive electrification scheme through Goring Gap will be interested in the 'Mend the Gap' program. The result of the efforts of Goring/South Stoke based Railway Action Group, North Wessex Downs and Chilterns AONBs, Mend the Gap is responsible for identifying suitable projects for enhancement along the railway route using £3.75m of funding which has been secured from Network Rail.

To find out more: www.northwessexdowns.org.uk/projects/mend-the-gap

Planning Applications & Decisions

Moulsford News and Planning deadlines invariably mean that the planning information above is out of date by the time of reading. For a current view of planning, please visit the online planning portal here:

<http://www.moulsford-pc.org.uk/community/moulsford-15214/planning-tracker/>

P21/S3785/HH White House, Moulsford, OX10 9JD	Erection of single storey rear extension.	MPC: No strong views. SODC: Considering.
P21/S3045/HH 2 Glebe Close, Moulsford, OX10 9JA	Single storey rear extension, new roof-light to en-suite.	MPC: No strong views. SODC: Approved.

Recreation Ground Update

Jo Baker

The Recreation Ground Working Group has had a quiet summer while the professionals at ASA Landscape Architects finish compiling all the feedback into a revised plan for us to share with the wider village. In the meantime, regular visitors to the Rec may have noticed that unfortunately some more of the playground equipment has had to be removed, and sadly our toddler swings were put out of action by some thoughtless individuals. But, looking forwards, repairs to the swings will soon be made and they'll be back in action better than ever. Also, the first key steps in carrying out some of the first ideas hatched by the Recreation Ground teams are being eagerly anticipated - and everyone can join in.

Every year, the Woodland Trust make millions of free trees available to community and school groups in planting packs. From the start of the new planting season in October until the end of next year, the Trust is linking its free trees scheme to the 'Plant a tree for the Jubilee' campaign to celebrate Her Majesty's Platinum Jubilee. Our application for 105 trees was approved, and we'll be taking delivery of our 105 native saplings in early November, including hawthorn, dogwood, wild cherry, silver birch, rowan, hazel, a mix selected for year round colour, with blossom, berries and autumn displays. A planting plan is currently being devised, but it's anticipated that most of the saplings will help thicken up the existing wooded boundaries, filling in patchy stretches and generally adding some additional cover and enhancing biodiversity.

We will be holding our planting event on Saturday 13th November from mid-morning onwards - please do grab a spade and come along to help dig in our new Recreation Ground residents. The Events Committee are helping to make refreshments available to participating tree-mendous volunteers at the Pavilion, so anyone coming along to help will be well looked after. Full details will be posted in the next Moulsford News, but please save the date if you can and we'll look forwards to seeing as many folks as possible over a tree and then maybe a cup of tea!

My Dear Friends,

September has seen us in many ways trying to resume our 'normal lives' living with Coronavirus. Mercifully the number of cases per day seems to have levelled off, despite fears last month of an exponential increase, as have the numbers being admitted each day into hospital. This is all just as well as we begin to move into the cooler weather of Autumn, which normally brings with it an increase in flu and other winter illnesses. The death rate from Coronavirus is also beginning to level off and last week there were no Covid-related deaths at all in South Oxfordshire.

Maybe one thing that the Covid epidemic has done is make us far more aware of death – whether it is the daily national figures being given out on the news, or personal experience of someone who has died prematurely because of Covid. Most of us had previously been living in a society and culture where the subject of death was often hidden away in hospitals and nursing homes and only very rarely brought up in private conversation, let alone public debate.

Even today, discussion has been mainly about death rates which is both necessary and understandable, but nevertheless as we are reminded not only of the fact of death but its unpredictability, one very important dimension is to consider how well we are prepared spiritually for our own deaths. Many of us just bury our heads in the sand about the inevitable fact that one day we too will die. Many will have no religious framework and have not begun to think about "what will happen to me when I die?". Some will say they believe that death means complete extinction, although I am always struck by how very few actually believe that when a loved one dies. Many will have some kind of Christian faith, but for some, rather than bringing spiritual peace, their latent faith brings out anxiety or fear that "they might not be good enough to go to heaven".

In actual fact the heart of Jesus' ministry and message is that none of us are good enough to go to heaven.

However, the very reason Jesus came was to conquer death on our behalf and enable any of us to enjoy eternal life by putting our trust in him, in his grace and in his death for us on the cross. As Jesus told his friends (and as I remind people at the beginning of every funeral I take), "I am the resurrection and the life.

Whoever believes in me, even though they die, will live. Whoever lives and believes in me will never [truly] die."

This is wonderful news but not in itself a reason for believing. I myself believe because, having considered the life and teaching of Jesus Christ, I am convinced that he is indeed all that he claimed to be – including "the resurrection and the life". I believe this, not only on an intellectual level, but on a deeply personal and experiential level having over the last 50 years seen the impact and blessing that such a belief makes not only in my own life, but in the lives of my fellow believers. However, if entrusting our lives to Christ provides even just a possibility that it will enable us to face death with confidence and hope, then surely that makes it worth at least considering and investigating further. If that is something you would like to do, then why come along to church one Sunday, or speak to a friend who you know is a committed Christian – or even get in touch with your Vicar! I'd love to have a conversation with you or point you to ways of finding out more.

With warmest regards,

Andrew Petit, Vicar of Moulsoford, andrewpetit@virginmedia.com, Tel: 01491 651216

Church Services October/November 2021

3rd October	18th Sunday after Trinity	9:30am Parish Communion	In Church
10th October	19th Sunday after Trinity	9:30am Parish Communion <i>Faith Explored</i>	In Church

For those who cannot attend church services in person, there will continue to be services broadcast by Zoom at 9.45am each Sunday from St Mary's Cholsey.

For details of how to attend these services online please contact the Vicar, andrewpetit@virginmedia.com

Life at Greenlands Farm

John Beacroft

Harvest is now all gathered in, with yields being much better than last year. The wheats have unfortunately not made Bread grade so will be used for biscuit manufacture.

The Rye, first attempt for us this year. Not an easy crop to harvest as very bulky straw, which was a bit green in the bottom, making the harvest of it rather slow. There is quite a market for this crop for animal feed, especially pigs. Spring Barely for malting, reasonable yield and being moved as I write this to the maltsters.

Lastly peas for next springs seed. A much better yield than last year. However, a very slow and tedious harvest. It could only be harvested in one direction. Otherwise would keep blocking up the combine header. Now in the store. We were lucky with the weather with only needing to use the drier for some of the wheat.

Now the fields are bare the wild life can be seen in its abundance. It is quite evident that the hares have had a productive year. Our English partridges have also bred well and are now big enough to avoid the pursuance of the Red Kites and Buzzards.

Please can I urge walkers with dogs, to keep them under control. I witnessed a black retriever chasing a Roe deer along the back of Underhill yesterday. Autumn planting will begin shortly, in our case Wheat and Rye again. We have also planted 100acres of over winter greening cover.

The building lets have just about returned to pre Covid, being now full again. Fortunately we have had very little turn over.

Keep safe, enjoy the countryside.

John Beacroft, Greenlands Farm.

The next **Village Coffee** is on **Wednesday 13th October 2021 in the Pavillion**
from 10:30am to 12 noon.

October will be a spooky month of Halloween treats (homemade) and warming drinks. Please do join us at the pavilion; let's get back to how it used to be.

Please put your name on the rota for putting the kettle on the next time you visit; it's always nice to see different helpers making the coffee & tea.

September's coffee shop was another great success; a very BIG thank you to Liz and Gary for putting the kettle on. Our fab tea/coffee makers for October are Twinks & Friends.

We shall continue to listen to the Covid guidelines with winter approaching, and we will also watch the weather as sitting outside may become more difficult when it gets chilly.

We thank you all very much for being mindful of keeping your distance with everyone. Continue to wear your face masks if you feel more comfortable when ordering your drinks inside.

We look forward to seeing you all in October.

Future Dates:

13th October

10th November

Letter to the Editor

September MN – “Elli the Gardener.”

A much enjoyed new article!

What a busy time Elli had in her garden, camping out with hedgehogs and making a living herb wall. I did not know that peppermint water would discourage ants, what a great tip!

I was unable to answer all the quiz questions, (I will look for answers in the next issue).

However, when a neighbour supplied me with lots of her home-grown veggies, Elli's suggestion to spend a few days as a vegetarian inspired me to do just that! Stuffed marrow, green bean and tomato salad, courgette fritters, roasted pepper and parsley omelette and rhubarb crumble with mint tea, to name a few!

I do have some bee friendly plants in my garden and noticed lots of bees and butterflies this year, I shall plant more to encourage more pollinators next summer.

Well done, Elli and I look forward to more of your tips!

Thank you.

What's on in Moulsoford and Surrounding Areas

THE COFFEE SHOP

WEDS 13th OCTOBER

10.30AM-12NOON

If you fancy a couple of hours of chatting, relaxing and drinking coffee or tea, do join us, £1.50 donation.

Please do come along, everyone from the village is welcome. For more information call Gail Slinger on 01491 651931 or email gailslinger2601@gmail.com.

Keep in touch!

If you're planning local events, doing something for charity, or simply have something to say, Moulsoford News wants to hear from you.

You can reach the editor, Katja Abel by email:

moulsofordnews@moulsoford-pc.org.uk

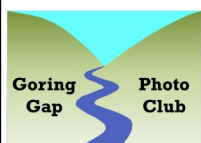

For advertising contact Emma Reynolds at:

reynolds743@btinternet.com

Deadline for November edition:

Weds 20th October 2021

GORING GAP PHOTO CLUB DIARY

Held at Goring Free Church at 8pm

Visitors & New Members most welcome

19th Oct Talk: Macro Photography

16th Nov Competition: Open, Colour & Monochrome

14th Dec Christmas Celebrations

4th Jan Talk: Arabian Gulf Revisited

For more Information visit www.goringgapphoto.co.uk

Moulsoford Parish Council Meeting

Thurs 21st October 2021

7.30pm in the Pavilion

Everyone welcome!

Henley and District Stamp Club

If you are one of the many people who have taken up stamp collecting or returned to their old school collections during lockdown, we would be delighted to see you at our meetings. Belonging to a stamp club makes the hobby more interesting, friendly and fun, and covers all aspects of philatelic subjects, stamps, covers (envelopes), postmarks and postcards etc.

The Henley club has now gone back to face to face meetings and it is hoped to have a guest speaker at one of the meetings and members to display 'Art on Stamps'. In reality, stamps are miniature works of art, a fact usually overlooked.

We will be meeting on the 13th and 27th October; further information will be on our website. Hope to see you, so that you enjoy your collecting even more!

Meetings are held the 2nd and 4th week of the month at Bix Village Hall at 7.30 p.m. Visitors and new members are welcome.

Further details can be obtained by phoning 01491 681739 or on our website www.henleyphilatelic.org.uk

Spinning Club: Social Craft

Third Thursday in the month at the Pavilion, 6.00 - 10.00pm, £2 per session. Come and join a group of local craft people for an evening of relaxation. For more information, call Linda Scurr on 652916.

Sorry, no services on other days or on Public Holidays

Answers for last month's quiz:

1. Although mayflies live up to a year as nymphs (the larval stage), they only spend two days in the subimago stage (the teenager stage) and up to two days in the imago stage (the adult stage).
2. Lavender is good for many things, including small wounds, calmness and headaches.
3. Yes, all parts of the foxgloves are poisonous, especially the roots.
4. Yes, you can eat cleaver (aka sticky weed), although it is a bit spiky. You can also make tea out of it.
5. True. Venus flytraps already get enough nutrients from the flies which they digest.

Gardening diary

Hi guys!

A few weeks ago, we went camping in Germany.

When we were there, we went on a lovely walk around a lake where we saw lots of cool things. We saw a grass snake, curled up on a log but surprisingly, it didn't slither away as soon as it saw us, which is what these shy creatures normally do. This could be because it had just laid her eggs, and wanted to protect them or keep them warm. We also saw a stinkhorn mushroom and we all dared to smell it. It smelt like drains - It was disgusting!

Back in England... We have just finished eating our lunch which included peppers and tomatoes out of the garden. Half an hour ago, I planted some dwarf daffodils and dwarf irises. Then I made some cuttings of rosemary, lavender and sage for next year. To make cuttings, you cut off a sprig of whatever you're taking a cutting of. Take it and cut off the bottom bit until just underneath a node and take off some of the bottom leaves. Take off the newest growth from the top. Put it into some soil mixed with grit, about five or six cuttings will fit in a medium size pot.

That's the end of my diary for now! Read on to find my quiz.

Quiz

1. How many times does a robin's heart beat in a minute?
2. What is sage good for?
3. Can you eat stinging nettles?
4. How heavy is the biggest pumpkin in the world?
5. Name a plant that can kill you instantly.

Challenge

Go to the market at Wallingford on a Friday or Saturday to buy local cakes, pastries, fruit and veg.

Gardening tip

This is a good time of year to collect seeds. Pick seeds that look ripe or almost ripe and put them in a paper bag for a few weeks. You can sow them again next year. Some examples of seeds are fennel, evening primrose, cosmos, sunflower and calendula.

Moulsford Pavilion Hire Rates

The Pavilion is the ideal place to hire for your event and can accommodate a range of different activities. Standard hire rates as follows:

Hire Fees	Mon-Fri: Hourly fee up to 6pm	Mon-Fri: Hourly fee after 6pm	Weekend: Hourly fee Anytime
Village residents	£13	£15	£15
Non-residents/	£16	£20	£20

Discounted rates are available for regular weekday evening bookings (Monday-Thursday). Special rates apply to weddings. The full list of rates can be obtained from the Bookings Secretary or can be seen on the Pavilion notice board.

To book call Karen Gilmore, Pavilion Bookings Secretary 07707 068151 or email moulsfordbookings@gmail.com

Cholsey Repair Cafe

Cholsey Repair Café is back in action!

The next session will be at **Cholsey Pavilion** between 11.00 and 13.45 on Saturday **20th November**.

Many types of repairs can be considered and volunteers aim to teach their fixing skills to customers.

Textiles and bicycles, cracked china, electrical faults, computers, blunt gardening tools, broken toys and many other household items can often be repaired for cost of parts and a donation towards operating costs.

Basic Covid precautions will be in place.

See www.cholseyrepaircafe.com for our house rules and more information.

*Halloween
Sunday 31 October
6 00 pm*

*The Clock House
witches will be
stirring the cauldron.
Come if you dare for a
trick or treat!*

Railway Work Advance Notice to Residents

Dear Neighbours,

Upgrading the railway tracks between Gatehampton to Moultsford Viaduct.

We're working with train operating companies to bring you faster, safer and more reliable rail services. As part of this work, we'll soon be working near you to replace sections of the railway stones along the tracks.

We need to do this essential work overnight, while trains aren't running. The work will take place on **midweek and weekend nights** between **29 September 2021** and **5 February 2022** from **10pm** until **6am** the following morning each night. We've listed our planned shifts below, but please note that this may be subject to change.

Dates	Times
September; 29th, 30th	10pm—6am
October; 9th, 17th, 31st	10pm—6am
November; 1st, 2nd, 3rd, 4th, 6th, 14th, 20th, 26th, 30th	10pm—6am
December; 3rd, 4th, 11th, 14th, 15th, 16th, 17th, 18th, 20th, 21st, 22nd, 23rd	10pm—6am
January; 8th, 25th, 27th, 29th	10pm—6am
February; 5th	10pm—6am

We'll be working across more than four miles of the railway, so we won't be outside your home the whole time, but we wanted to let you know when you might see us working nearby.

To keep our colleagues safe, vehicles moving around near our teams will need to sound horns at times and when repositioning.

We appreciate that, given the nature of our work and the machinery needed, this will be noisy at times and we want to apologise in advance if we disturb you. We will work hard to keep any unnecessary noise to a minimum. You can find out more about how we work and the machines we use on our website

www.networkrail.co.uk/running-the-railway.

Thank you for your patience and understanding as we complete this important work. If you have any questions or concerns, you can call us any time on 03457 11 41 41, or you can visit www.networkrail.co.uk/contactus for more options.

Yours faithfully,

Joe Hill

Community Relations Executive

Dear Neighbours,

I am writing to inform you that Moultsford Preparatory School will be holding their annual Bonfire Night on the afternoon and evening of Thursday 4th November 2021.

The timing will be approximately 5.45 – 8.00pm.

The event will take place within the school grounds but will also involve spectators arriving and parking on the School playing fields and Cranford House School car park.

The fireworks will be fired from the South Stoke side of the river, opposite the Moultsford Preparatory School river frontage.

Children and adults will be crossing the road from the parking to the school between the above times so we will be kindly asking everyone to please reduce their traffic speed to help us all ensure everyone's safety.

We will do our utmost to keep disruption to a minimum and apologise in advance for any inconvenience which it may cause you.

We really hope you enjoy the fireworks display.

Here to help you find and book the perfect holiday...

Arranging a holiday can be very frustrating and challenging. But with Full Circle Travel, it doesn't need to be.

- We are a local, independent travel agent with mature, professional and well-travelled consultants.
- You do not pay more for our service but get a lot more than booking direct.
- You can book with your favourite tour operator but book locally.
- We are ABTA and AITO members and ensure your money is safe in an uncertain world.
- We listen, we care and are passionate about finding you the perfect holiday.
- Search 'Full Circle Travel' at www.trustpilot.co.uk to read what our clients say about us.

A selection of operators you can book with us at no extra cost to booking directly: **Club Med - Cox and Kings - Abercrombie and Kent - Mark Warner - Audley Travel - Explore - The Adventure Travel Company Royal Caribbean - Carrier - Western & Oriental - If Only - Beachcomber - Exodus - Kuoni - Viking River Cruises - Seabourn, Riviera Travel - Silversea - Regent Seven Seas - Classic Collection - Prestige Holidays**—plus many more
