

Minutes of Winterborne St Martin Parish Council (V1)

Monday 27 April 2026

Martinstown Village Hall

Present: Cllrs, Nuttall (Chair), Fitzgerald, Hutchings, Walker, Pemberton, Eversden, Marsh, Andrews

Apologies: Cllrs Hosford

Democratic Period:

A parishioner raised a detailed concern about the council's finances, in particular on the Precept increase and carry-forward.

The main points raised by the parishioner:

- The council is carrying forward £5,000 more than the previous year.
- Despite this, the precept increased by approximately 24–25%, as shown on residents' council tax bills.

The parishioner questioned:

- Why such a large carry-forward was necessary.
- Whether the increase was justified.
- Whether councillors fully understood the figures they had approved.

Cllr Nuttall explained:

- Historically, CIL money had been used for stream clearance.
- Last year the council decided to fund this from the precept, increasing the required amount.
- Some planned expenditures (tree works, garage maintenance) did not occur, contributing to the carry-forward.

The parishioner challenged this, noting:

- Some of the cited works were not in the budget, so could not explain the carry-forward.
- Councillors should be able to recall key financial figures.

Cllr Nuttall acknowledged he did not have the detailed figures at the meeting and could not confirm the exact percentage increase.

Clerk will provide a written explanation addressing the specific question.

Action: Clerk

Cllr Marsh and Cllr Pemberton declared an interest in item 10a.

248/2025 Dorset Cllr report

250/2025 Minutes of Winterborne St Martin Parish Council meeting held on Monday 23 March 2026

It was proposed by Cllr Fitzgerald and seconded by Cllr Pemberton that these minutes should be accepted as a true record of the meeting. Agreed with one abstention (Cllr Marsh) – RESOLVED

251/2025 Statement of Council's position regarding the co-option process at the March meeting

The Chair delivered a detailed formal statement acknowledging a procedural breach during the March co-option:

Key points from the Chair's statement

- Two candidates applied for one vacancy.
- A ballot resulted in a tie; a second vote was held, and the Chair used his casting vote to appoint Vicki Andrews.

This process itself was valid but:

- Cllr Andrews application form was circulated too late. Standing Orders require three clear days for circulation of meeting papers (excluding Sunday and the meeting day).
- Councillors therefore had only Friday and Saturday to review the single sheet application
- No one noticed the error during the meeting; it was identified afterwards.

The Chair apologised for the oversight and confirmed he had written to the other candidate explaining the situation.

The other candidate was present at the meeting and stated they had not received the email, however the clerk and councillors had received it.

The Chair confirmed the address used and apologised; a printed copy was offered.

Cllr Marsh commented that although an error occurred, the overall process still appeared fair, and the council should now move on.

No councillors raised any further concerns.

252/25 Motion

"This Council acknowledges that it breached its Co-option Policy in the election held on 23rd March 2026"

Proposed by Cllr Pemberton and seconded by Cllr Hutchings

Following the Cllr Nuttall's statement and apology, Cllr Pemberton withdrew the motion, stating the matter had been adequately addressed. Cllr Hutchings as seconder agreed.

No further discussion.

Handwritten signatures and initials at the bottom right of the page. There are two main signatures, one above the other, and some initials to the right.

253/2025 Action points from last minutes

- a) 235d)/2025 – Clerk to pursue costs of footpath with Highways

Clerk confirmed the issue has been passed to the Transport Planning Team, not the Community Highways Team. They will score the proposal and determine feasibility.

- b) 236b)/2025 – Clerk to issue revised draft Financial Regulations

Revised draft issued to councillors but not published with meeting papers therefore it was agreed to defer adoption until next month, so the public has the opportunity to review them.

- c) 238/2025 – Clerk to identify deposit records

Clerk could not find any record of deposits being taken historically.

One former allotment holder is requesting a refund. Councillors noted that receipts should exist if deposits were paid.

Clerk to contact the individual and clarify.

Action: Clerk to contact previous allotment holder

Cllr Nuttall confirmed he had received £50 cash from one of the allotment holders who has two allotments and has transferred the equivalent amount to the council's account.

- d) 246/2025 – Clerk to follow up with highways regarding the EV charging points

The Clerk advised the charging points remain non-functional and the issue lies with the provider, no timeframe available.

- a) Approval of schedule of payments & bank reconciliation

These were checked and approved by Cllr Marsh.

- b) To review and adopt the updated Financial Regulations

Item deferred to next agenda.

- c) Review end of year accounts

Some Cllrs noted the receipts/payments layout was confusing but accepted the figures.

d) Internal audit update

The Clerk confirmed the internal audit is scheduled for week commencing 25 May 2026 and expects to send all documents this week.

Action Clerk to seek alternative quotes for insurance

The renewal is due 5 June 2026.

255/2025 Planning

a) Planning Consultation

It was agreed that as there are no material planning reasons to discuss, no comments will be submitted.

256/2025 Updates on: Highways, ROW and SID/Allotments/Flood, Stream and Riverbanks/Washpool/Grounds

a) Update on willow tree works

Cllr Marsh advised that the contractor has postponed pollarding until 1 September due to:

- Tree being in leaf (risk of damage)
- Presence of nesting birds

Cllrs expressed disappointment but accepted the ecological reasoning. If the contractor delays again, the council may consider alternative quotes.

Clerk to confirm acceptance of the September date and request a specific week.

Action: Clerk to contact tree surgeon.

b) Update on Washpool

Cllr Nuttall reminded the council that they had previously agreed to pursue leasing of land around the wash pool via manorial rights held by a parishioner. The parishioner's solicitor has offered to complete the work for £750 + VAT, reduced from the usual £1,500.

This is close to the previously approved budget (£600–£700).

Cllr Nuttall has not yet instructed the solicitor; a letter must be sent to the parishioner confirming the council's commitment to covering legal fees.

A discussion noted that the solicitor acts for Mr Duke, not the council, and the council cannot seek alternative quotes for this specific legal process.

Some Cllrs objected to paying legal fees that in their view benefited a private landowner. Cllr Nuttall advised that it would not benefit the parishioner but declined to reopen the debate, noting the decision had already been voted on.

Cllr Eversden initiated a vote of no confidence in the Chair. Clerk advised this must be tabled formally for the next agenda.

257/2025 Update on Wessex Water/Green Martinstown liaison group from Cllr's Walker/Hutchings

Cllr Marsh reported:

- Joint meetings have been held with Green Martinstown and Winterborne Monkton Parish Council.
- All agreed that Wessex Water must replace the sewer pipe, not reline it.
- Aim to hold alternating meetings every six months.

Minutes will be circulated to all councillors.

Action: Clerk
